AFRAID OF TOMORROW?

Do you live in constant fear? Does a nameless dread grip you day by day?

It's poor comfort that millions of folks are in the same boat. There must be some cure somewhere.

Suppose we take a look—see through God's eyes, the Bible. For we see things as God sees them when we open the book; men, history, time, eternity. So open the book; it takes you back twenty centuries into Galilee—back into the days when Jesus Christ was on earth. There He stands, raising a dead man back to life, say. Or feeding the five thousand by multiplying a lad's five loaves and two fishes. And next He turns to you and says that for the next hour you are to leave it all to Him. Couldn't you quit worry that long to rest on the Everlasting Arms? And if for one hour, then the next also, and the next. Couldn't you trust Him that way?

"Casting all your care upon Him, for He careth for you." says the Book. Nothing half-way about it. You born-again ones are either going through on God-power with victory over sin, worry and self or else you are limping along. Yes—just limping along on your poor little human inability, no better off in that respect than our unsaved friends of whom the Bible says, "having no hope and without God in the world." Now hear Christ—"I am come that you might have life and have it more abundantly." Yes—"Thou wilt keep him in perfect peace, whose mind is stayed on Thee; because he trusteth in Thee." Isa. 26:3.—George N. Taylor, Beaverton. Paid Adv.
