### Goddess Nominee WHOSE WORD WILL YOU TAKE

LOW wheels, larger tires, and the high speeds of today make blowout protection in your tires vital to your safety as never before. Are you accepting exaggerated and unsupported advertising and sales elaims-or are you accepting the judgment of men who risk their lives on their tires and know from experience the tire that gives them the

FOR BLOWOUT PROTECTION?

greatest blowout protection? Thirty-three race drivers and their mechanics lined up for the dangerous, gruelling grind of the 500-Mile Race at the Indianapolis Speedway May 30th. Firestone Tires were purchased and used on every one of the thirty-three cars.

Kelly Petillo won the race at an average speed of 106 miles per hour. Wilbur Shaw was second, flashing across the finish line just behind the winner. Both drivers broke the track record without tire trouble. In fact, not one of the thirty-three drivers had tire trouble of

Gum-Dipping is one of the outstanding reasons why Firestone Tires give such amazing performance. By this process every cotton cord is soaked and every strand is insulated with pure liquid rubber, preventing internal friction and heat, the main cause of blowouts. Gum-Dipping is a patented extra process not used in any other make

Protect your life and the lives of others by equipping your cas with Firestone Gum-Dipped High Speed Tires—the safest tires built. It will be worth your time to read these three questions and

QUESTION 1-"Will the tread give me the greatest traction and protection against skidding?" ANSWER—Leading university tests show Firestone High Speed Fires stop your car 15% quicker than the best of other popular makes of tires.

QUESTION 2—"Are they built to give me the greatest blowout protection?" ANSWER-Unequaled performance records for sixteen consecutive years prove that Gum-Dipping gives you the greatest blowout

QUESTION 3—"Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?" ANSWER—Thousands of car owners report unequaled mileage records—evidence of the longer wear and greater economy of Firestone High Speed Tires.

#### HIGH SPEED TYPE Gum Dipped We select from our enormous stocks raw materials the best and highest grade rubber and cotton for the High Speed Tire. In our factory we
