G. A. R. Revered

All Oregon reveres and honors those valiant heroes of that fast vanishing Grand Army of the Republic. The meeting in Portland last week was heralded as the last encampment for the state, but in characteristic fashion they declared that their meetings would be continued until there was not another one of them left

This great organization has been a tremendous factor in the growth of the nation from Civil war days and its members have always been held in high esteem as the country's defenders.

May the veteran groups of the Spanish-American and World wars carry on in Their co-operation is appreciated. Let's all the valiant way these old boys of '61 to exhibit the same spirit here next week. '65 have over three-quarters of a century.

Newspaper critics of the administration point to a lack of confidence. Prob- for all employes has been announced by ably the greatest influence in creating the Ford Motor company. This is a step this alleged lack of confidence can be found in such newspaper comments and and be followed with other pay boosts the manner in which they play them up. wherever possible.

Welcome All to Hillsboro

The business and professional people of Hillsboro join with the celebration sponsors, the Hillsboro firemen, in extending a welcome and invitation to the men. women and children of Washington county and elsewhere to attend the annual "Happy Days" Fourth of July celebration here next Tuesday, Wednesday and Thursday. friends from far and near. The many newcomers in the county are urged to be present and meet new friends. Hillsboro and Washington county

extend a hand of fellowship. Hillsboro people should be there as a body. Forget counter attractions. Be there

to meet old friends and to make new ones. Local business and professional people in a two-page advertisement in the second section of this issue extend a true welcome in one of the finest pieces of cooperative work ever done in this county.
