AUTOMOBILE OWNERS
NEW STATE FINANCIAL LIABILITY LAW BECOMES EFFECTIVE JULY 1

This new law makes it important that every automobile owner carry ample liability and property damage insurance. An accident may result in a law suit and judgment. Under the new act, if the car owner is unable to settle the judgment, his operator's and auto license may be revoked until he proves financial responsibility.

Don't risk it—let us advise with you regarding insurance in a good company at a very reasonable rate.
