YOU ARE INVITED TO ATTEND

We pay tribute to the late Dr. J. P. Tamiesie, known widely and favorably in this section, who promoted the use of his property for this growing dealership in General Motors Products. We regret he did not live to see the fulfillment of his idea.

THE NEW LOCATION

The Tamiesie Garage, 324 Main Street, next New Postoffice. In the rear of this building is space for free parking of customers' cars.

James Whitelaw, owner of Hillsboro Motor Company, who says that the facilities of his new location are double that of the former one, and invites every one to see for himself next Saturday.

"I use newspaper advertising because it gives an opportunity to tell customers and possible customers the advantages of dealing with me, and they believe it because it is of public record."

Claude Coomer

Service Superintendent, who has the confidence of motor car owners throughout this country.

Service Advantages: Easy entrance and exit, freedom from congestion, safety, factory certified mechanics, excellent modern equipment, reasonable prices, prompt and courteous attention, good parts stock and daily free service from Portland. Special body repair department. Two-car paint room. Two-car wash rack. Thorough lubrication at 75c.

**"HERE WE COME"**

Wrecker service at moderate price. Phone 444, day or night, and have access to six phone numbers. "I believe our present service set-up is the most complete and efficient ever offered the public in Washington county. We guarantee proper results from every job done in our shop."

(Signed): CLAUDE C. COOMER, Service Superintendent.

Last month we sold 19 new cars and 30 used ones, the largest number in the three years' history of this business. In May, 14 new ones and 32 used ones. The future seems equally bright for Chevrolet, Oldsmobile and "Better-for-less" Used Cars.

We solicit directly on Oldsmobile the patronage of all of Washington and Columbia counties. Please advise us of any such prospective business and keep the profits therefrom for expenditure in this district, as we guarantee prices both for cars and service to be as low as any other.

Our "Better-for-Less" USED CARS with the red OK tag are reserved only with **Genuine** factory new parts. Guaranteed to be as represented, all under factory audit.

E. C. Lovelett

Office Manager and Parts man, who is leading the three northwestern states in sales against quota of Chevrolet parts and accessories.

Departmental Advantages: **Genuine Factory** parts and accessories as far as possible. Prices never excessive, **no grafting** for transportation or communication charges. Daily service from Portland for **any items** not in stock. Prompt attention to shipping orders or mail orders.

**LIBERAL CREDIT POLICY**

"I can conduct the business of this office with satisfaction and a clear conscience, for Mr. Whitelaw does not ask or want any employe to be unfair or selfish with anyone. We are doing an increasing volume of business on small profit, and the accounting here indicates that this is a successful policy. My instructions are to continue it."

(Signed): ELZIE C. LOVELETT, Office Manager and Parts Man

Bill Davidson

of the "Blue Eagle" Cafe, who runs the Used Car lot on Second street.
