If the very first bottle does not satisfy, your money back.

IN THE GOOD OLD DAYS The family looked forward all year to Fair time, when their produce and livestock would be exhibited and sold. Then a man's entire life was devoted to his soil, and it was an event for him to leave it. Now the business man has broader interests. He travels freely. He knows the entire world about him. Yet when he faces a new financial endeavor he consults his banker.
