

The Startling Truth When Liang had gone out, Vance sent Gamble for Hilda Lake. As soon as she entered the library, Vance informed her that Wrede

the world." "Furthermore," Vance went on, "I believe that Mr. Wrede mur-dered your uncles and attempted the life of Mr. Grassi." "December, 1837, at Lake Starnberg."

"I would not be in the least sur-prised," the young woman com-mented coldly. "I have suspected all along that he murdered Uncle Archer—but I could not quite see how he accomplished it. Have you learned his modus operandi?" Vance shook his head. "Use a compliance of the admitted the passage regarding her death: "Elizabeth spent much of her time traveling through Europe and at the palace she had built in Corfu. On the 10th of September, 1898, she was walking through the streets of Geneva with her en-

"That's another phase of the problem that must be worked out. There was an error-a miscalcula-tion_somewhere"

tion-somewhere.' "I can understand," Hilda Lake has not injured me," she said, "and

said Vance, "are inclined toward intense jealously. . . But there's a particular thought that has en-tered my mind this evening, and I shall ask you about it.—Tell me, Miss Lake, what reason would Brisbane have had for killing Archer?" Vance's question amazed me, and when I glanced at Markham and Heath, I saw that they, too, were startled. But Hilda Lake accepted

ith curious significance-"a dead an walked upstairs!" Markham looked up at him with enevolent concern. "Come, come, Vance," he said, n a kindly, paternal tone. "This ase has upset you. Take a good tiff nightcap and go to bed—" "No, no, Markham," Vance cut

"No, no, Markham, Vance cut in, his eyes staring straight ahead. "That's just what happened the other night. Archer Coe—already a dead man—walked upstairs. And -what is even more terrible, Mark-nam-he didn't know he was dead!"

Vance turned quickly and went to a set of thick quarto volumes on the lower shelf of one of his

soon as she entered the library, Vance informed her that Wrede was dead. She looked at him a moment, lifted her eyebrows, shrugged slight-ly, and said: "It is no great loss to "Furthermore". Vance

'He turned the page "I would not be in the least sur-

Vance shook his head. "No, Miss Lake," he admitted. "That's a part of the problem still to be solved." "But why," she asked. "should he

kill Uncle Brisbane? Uncle Bris-bane was his ally." the back, with a shoemaker's awl. The police immediately pounced

that they should release him.

"I can understand," Hilda Lake has not injured me," she said, "and remarked, "why he should attempt Mr. Grassi's life. Mr. Wrede was intensely jealous of Mr. Grassi." "All clever, scheming men with a sense of their own inferitority," said Vance, "are inclined toward intensely iealouey. But there's has not injured me," she said, "and I wish, on this occasion, to for-to the steamer, which was more than half a mile distant, and made a farewell speech to her subjects from the deck. She then retired to

when I glanced at Markham and Heath, I saw that they, too, were startled. But Hilda Lake accepted it as if it had been the most casual and conventional of queries. "Oh, various reasons," she an-swered calmly. "There was a deep antagonism between the two. Uncle Brishane, had, many ideas and you recall what Doctor Doremus antagonism between the two. Uncle Brisbane had many ideas and you recall what Doctor Doremus ways handicapped by the fact that Uncle Archer controlled all the money. There was, therefore, the bane did not feel that Uncle Archer er had treated me fairly, and he was quite anxious for me to marry Mr. Mr. Markham stood up and walked was quite anxious for me to marry Mr. Mr. Mr. Mr. Bernard Ghent and Mr. and Mrs. Bernard Ghent and Mr. and Mrs. Bernard Ghent and
