IO MINUTES

OF HILL-CLIMBING

UP TO A CUP OF GASOLINE SAVED

With Super-Shell you can race your car up steep hills—on less gasoline, And you avoid that wasteful knocking, which alone in a few minutes can waste up to 10% of your gasoline.

Super-Shell can also save up to a cupful of gasoline on every "cold" start. And up to another cupful in hour of steady running!

Reason: Super-Shell brings you 3 types of power, perfectly balanced. It saves you money on stop-and-go driving—the most expensive 80% of all the driving you do.
