Oregon Ranks Third in Production of Cheese

Over 50,000 men and women in Oregon gain their livelihood from the production, transportation, manufacture and sale of dairy products.

Cheese is one of the leading products manufactured and sold, Oregon ranking third among cheese producing states in the Union.

Ideal climatic conditions in many sections of the state make for easier curing and a better flavored product, as well as low cost feed for dairy herds.

Wherever Oregon cheese is used you will find it a prime favorite.

Be sure to visit the Pacific International Livestock Exposition this year, Portland, October 5 to 12. It's the Silver Anniversary and promises to be the greatest event in the Exposition's history. See the fine displays of Oregon Cheese and other dairy products, also exhibits of the best pure bred dairy cattle from leading dairy farms in the Pacific Northwest.

As an entertainment feature there will again be the spectacular combined Horse Show and Rodeo.

Take the entire family. It's an educational opportunity which will afford benefit to all.

Remember, this bank is always ready to co-operate in the improvement of farm production.

PEP UP APPETITE; RELISH Your FOOD

No matter how little you eat, you should relish your food to feel your best and get the most enjoyment out of living. If clogged-up bowels and inactive kidneys are poisoning your system, causing you to have a "puny," finicky appetite, and making you feel run-down, sluggish, without ambition or zest for the good things in life—take a few doses of good old Williams S. L. K. Formula and see how much better you feel.

Williams S. L. K. Formula is compounded from the prescription of a former army doctor and contains valuable ingredients which accomplish their work in four beneficial ways: As a mild tonic, stomach stimulant, laxative, and diuretic stimulant for the kidneys. Many take Williams S. L. K. Formula also for indigestion, nausea, loss of weight and sallow complexion, where a mild tonic, laxative, stomachic, and diuretic is needed. Don't take too harsh drugs which jolt your system and upset your stomach. Ask The Delta Drug Store today for Williams S. L. K. Formula. The first bottle must satisfy or money back—Adv.

"Keep Your Credit Good"

The Man Who Robs Himself

"POOR PAY"—costs the man who does not pay—the most.

THE man who takes on a \$10 or \$10,000 obligation today—pays promptly when due—can enjoy good credit convenience—again and again. And his good name extends his credit—multiplies it. His emergencies are taken care of—before they happen.

BUT the man who does not pay—shackles himself—weakens his self-respect—kills his big chance when he needs it most.

EVEN for purely selfish reasons—pay up and keep your credit good!
