PRICE

BUTTERFAT?

HERE is the schedule of prices we pay for first quality churning cream F.O.B. Portland. Dairy Co-op trucks pick up cream at the farm for 11/20 per lb. butterfat. COMPARE THESE PRICES WITH THOSE YOU ARE NOW

RECEIVING. Cube Extra Churning Cream Quotation Fat Price 331/2 ♦ 361/2

This schedule allows 31/4c per pound for manufacturing and selling. In the past our costs have been less than this amount, and churning cream shippers have received cash dividends. Increased volume means bigger dividends.

DAIRYMEN Investigate our method of operation. We welcome inquiries and will be glad to discuss the possibilities of forming cream pools to provide higher butterfat prices—either with individual dairymen or at meetings. WRITE US,
