## Honor People on Birthdays

Rock Creek Folk Celebrate; Spelling Record Good

ROCK CREEK—Mrs. Morton tion with the capitol tion program. 80th birthday of her father, Robert Moses. Present were Messrs. and Mesdames Fred Benson and Rob- major committees are becoming ert, Helen and Caroline, Frank restive under the monotony of sit East, Nicholas Kies and Cecelia, ting around waiting for a chance and John Berger, and Fred Burns, to vote on the capitol issue. Clint Stanley Congdon, the hostess and Haight, who runs the Blue Mounthe honor guest.

Team Wins

Mrs. Ben Leu entertained Sun-day with a birthday dinner in honor of the 7th birthday of her

Aldine Zahler of Rock Creek school received a grade of 100 in spelling for the last consecutive seven weeks.

Gladys Berger underwent a tonsil Badgers 6 to 0, played at Vaughn and adenoid operation in Portland Street park, in conjunction with Vancouver Barracks CCC team, Of the Bonneville dam, Dodson

Burns and Matt Vrlicak attended the birthday dinner at the Mike played Vrlicak home, given in honor of evening. Others present were Mary Annie and Amelia Vrlicak and Joe and Mike Vrlicak Jr.

### Capitol News Letter

(Continued from page one) erous funds handled by the treasury department aggregate nearly \$10,000,000, most of which is lying idle in banks without earning any

Petitions for three initiative

about the state. These include the proposed constitutional amendment requiring annual elections, spon-sored by W. P Wagnon of Portland, and the state power bill and state bank bill, both sponsored by the State Grange and Federation of Labor. Ballot titles for all three have just been completed by Atterney General VanWinkle.

-A commission of seven members will supervise construction of the new capitol building, if the legislature adopts the recomme of its capitol reconstruction committee. The members of the state board of control will constitute three members of the committee while the other four members will be selected by the house and sen

This commission will select th architect and decide the type of building as well as fix its definite location, all within certain limitations to be established by the leg lature. So far its seems to be tal en for granted that the new sta house and its furnishings and equipment will cost in the neigh borhood of \$3,500,000 with the fee eral government putting up 45 percent of the amount and the state the remaining 55 per cent of the total. Out of this total the legislature may authorize the commis sion to spend up to 10 per cent-possibly 15 per cent, if PWA is agreeable—for additional land for the new building.

Discussion of sites has now sin mered down to the old site and the old site with additions. This latter would include either the Willamette university campus several residential blocks just nor of the state property with a lively

New 1936 Oldsmobile

Oldsmobile presents, in 1938, two new automobiles into which every proven feature has been engineered. These features include all those advantages which add to the comfort and safety of the passenger as well as the economy and performance of the motor. Important among the 1936 Oldsmobile features are livelier power, increased luxury and comfort, super-hydraulic brakes, center-control steering, solid steel "Turret Top" body by Fisher, knee-action wheels, smoother performance, increased all-around economy and safety glass as standard equipment in all models. The model pictured above is an Oldsmobile Six Four Door Touring Sedan.
