There are compensations even in jail, W. S. Edgar, 68, farmer near Aloha, discovered last week, when he was arrested for cruelty to animals when it was learned that he was working a horse with a broken leg. The leg had been braced with steel which had been in use for many weeks, according to deputy sheriffs who made the arrest.

Edgar explained that he was in a bad way. If he did not work his horses he must go hungry because he had no other means of livelihood. He agreed to get rid of the crippled horse and was given clothing, food and proper shelter and allowed to go free.

### New Pastors at Foursquare

Rev. and Mrs. Duffield Jr. Worked in Canada

The members and friends of the Foursquare Gospel church of Hillsboro are looking forward to an interesting and successful winter under the leadership of their new

Rev. and Mrs. Duffield

pastor, who has recently come to take charge of the work. Rev. Guy P. Duffield Jr., assisted by his wife, is making plans for the forwarding of the local Foursquare work.

Mr. Duffield has been a minister in the Foursquare churches for the past seven years. Most of that time has been spent in the Dominion of Canada. In the fall of 1928 he went to Vancouver, B. C., to teach in the Canadian Foursquare Bible school. He then served a year in rural work in the Province of Saskatchewan, after which he was appointed field supervisor for the Dominion. For the past three and one-half years he has pastored the church in Victoria.

Mr. Duffield assists her husband, particularly in the musical side of the work. She was a member of the Perks Evangelistic party as pianist for a year and a half. Music is a feature of the Foursquare churches and Mrs. Duffield will be heard each Sunday evening.

The new pastors are urging all who like a bright, sincere, old-time gospel service to be sure to attend some of the meetings. Sunday services are held at 11 a. m. and 7:45 p. m., while Tuesday at 7:45 a service of Bible study and prayer is held. Friday evening at the same hour a happy inspirational meeting is held featuring music, testimony and a helpful study on this most practical subject.
