# Washington and Yamhill Counties'

Part of a permanent, state-wide organization of business and professional men to improve credit conditions, operating in every county in Oregon and in more than 20 other states.

### Monthly Delinquent List Issued

Delinquent debtors trailed from county to county, and from state to state. Members exchange information, through the medium of our state office, reporting those who do not properly respect their credit.

We do not guess at credit information, but in our report to members we list debtors' names, addresses, and amount of their indebtedness.

#### All Debtors Notified

Before listing the name of any debtor, we give him due notice and ample time in which to take care of his past-due accounts. It is not our purpose to embarrass any man, rich or poor, who DOES HIS BEST TO MEET HIS OB-LIGATIONS. Names of debtors are not removed for any reason until their accounts are paid.

#### Unpaid Claims Offered for Sale

Where payment is persistently refused, unpaid claims are offered for sale to the highest bidder, and are sold for whatever they will bring, for the benefit of creditors.

#### No Commission on Collections

We are not operating a collection agency - Debtors must pay direct to their creditors. No filing fees; no docket fees. When collections are made, you get the money. No contracts to sign and regret,
