Federal Agency

(Continued from page 1) of health reports declared the process incomplete and not bringing about proper reduction of sewage.

Forrester has appeared at the last three council meetings to make protests against the reports made by the state health department.

Tuesday night B. E. Maling and E B. Tongue were present to in-spect the sewer plans and obtain information concerning the de-mands, which will be made on the cannery in connection with the disposal of wastes, which have been found troublesome in other disposal plants where canneries

were in operation. The council gave Maling assur-ance that the city would give full co-operation in solving the prob-

Wages will be on the government scale of 90 cents for skilled, 60 to scale of 90 cents for skilled, 60 to 70 cents for intermediate and 50 cents for common labor. Labor lists are to be drawn through the local office of the state and federal em-ployment office in the city hall. Sanitation committee composed of Dr. J. O. Robb, J. M. Person and J. L. Anderson, went to Wood-burn this afternoon (Thursday) to study sewage disposal. Corders were issued in the fol-lowing cases in circuit court this week: Shaw Supply company vs. Dr. Harrison D. Huggins; John Frank vs. Lewis and Josie Smith, Matilda Newman; Joseph P. Segh-ers vs. Jacob Van Loo. The following orders were issued this week in probate court: Aleda of National Book Week.
