Chehalem Club Event Set; Ladies' Aid to Meet

(By Mabel B. Allison)
MOUNTAIN HOME—Chehalem Mountain Potato club met at the home of Mr. and Mrs. Richard Joyce Friday evening. It was decided at that time to hold the annual potato show and banquet December 7 at the John Schmeltzer home. Prizes will be given for the best exhibits of 40 or more potatoes and one prize for the best single specimen of a Burbank type potato. If all the club members have exhibits present, the leader, Mr. Schmeltzer, will make up what is needed to pay for a scholarship at 4-H summer school. Committee for the banquet includes Ellen Marie Jaquith, Helen Schmeltzer and Peronice Ego.

Ladies' Aid will meet with Mrs. Alex Bruce December 5, for an all-day meeting. A pot luck lunch will be served at noon. Ladies are requested to bring needles and thread as well as one dish of food for the lunch.

The Ferrill home was broken into some time last week, according to report made by Dr. Ferrill Sunday. When Dr. and Mrs. F. E. Ferrill arrived from Portland Saturday evening, to spend the week-

end at their country home here, they found a broken window, a forced lock and matches strewn all over the house. The only thing missing, as far as they could determine, was a woolen blanket.

Portland public schools are leading the state of Oregon in the adoption of safety education in the regular high school curriculum, according to the Oregon State Motor association. School officials have agreed to teach a course in "Sportmanlike Driving," prepared by the American Automobile association.
