

Hobby Show Planned at P-T.A. on Tuesday

C. H. Nosler, principal of the Hillsboro grade schools, is organizing a "hobby show" as a feature of the P-T-A. program to be given at the regular meeting Monday at 8 p. m. at the union high school building. This program is one of several being given during the year, emphasizing school and P-T-A. ideals for leisure time activities.

Mr. Nosler has assembled a number of interesting exhibits, and anyone who has something of interest to exhibit along this line is invited to communicate with him.

Parent-Teacher association, with Mrs. Paul Patterson, chairman of the program committee, has prepared other numbers, which will contribute to the community enjoyment of the Christmas season. Mrs. R. W. Gates, chairman of the hospitality committee, is also hostess chairman for this meeting.

Rev. Charles Reed will speak briefly on Christmas customs in other countries. Ardis Ellingson will present the solo play, "The Night Before Christmas." "The Cold Turkey," a playlet, will be given by a group from The Harlequins, a high school age group, directed by Mrs. H. H. Stannard. The Legion Auxiliary sextet, under the direction of Mrs. L. C. Kramien, will sing some favorite Christmas carols.

Pastor, Family Given a Surprise

The Christian church gave their pastor, R. L. Putnam, and family a pleasant surprise Monday evening in the form of a "Pound" party at the church. A large group of members and friends gathered with their miscellaneous gifts, groceries, fruits, vegetables, etc., and then sent for the pastor and wife.

After a short miscellaneous program furnished by the young people of the high school class under the direction of Martha James, leader, an original reading, humorously written by Mrs. C. H. Nosler, and a reading by Deloss Anderson the evening was spent in games and a good social time. Home-made candy was served to all present. P. A. Anderson acted as chairman.

The affair was in commemoration of two years ministry of the Putnam family with the local church.

Drive for Toys Here Continued

Annual drive for toys, games, and books to supply the Coffee club's Christmas party for less fortunate children was opened last Friday, with the Hillsboro Christian Council's celebration of St. Nicholas' Day, at Pilgrim House, council headquarters. Council members and many other young people participated.

Gifts of the young people were placed under the lighted Christmas trees, and refreshments were served during the afternoon by a committee of Coffee club members, including Mesdames A. H. Abts, T. G. Bronleewe, Al Chase, E. L. McCormick, and Fred Engeldinger.

Although the gifts were brought in the first day of the drive, Council President Richard Abts has asked members of the affiliated chapters of young people to continue the drive for another week. Persons desiring to donate gifts are asked to deliver them either to Pilgrim House or to Mrs. W. W. Bonar, 246 South Third avenue, at whose home repairs to broken and damaged toys are being made.

Lemons Exhibited

Californians would have us believe that lemons grow only in the sunny south, but the Argus window this week contains two lemons grown at the home of Mrs. C. B. Taylor of near Banks. Her mother, the late Mrs. Melissa Jackson, planted the seed there about 10 or 12 years ago, and the tree is now about 18 inches high.
