Gift of New Cars Planned for Xmas

Several Hillsboro families are in for a grand surprise Christmas morning according to James White, proprietor of the Hillsboro Motor Co. He states that he has several orders for new cars, delivery to be made the morning of December 25. Most of the orders are for delivery between 7 and 10 a. m. and special precautions are being taken to deliver each car at the exact time specified so that there will be no slip-up in the plans for a complete and well timed surprise.

That the Hillsboro Motor company is enjoying the biggest volume of Christmas car sales in the history of the company was White-

law's statement. He accounts for this by the fact that new 1936 models were introduced two months in advance of other years.
