Real Estate Burdened

Harry Hopkins, federal relief adminrightly holds that when counties and cities the desire for better street lighting. raise funds they levy on real estate, which has been taking the heavy end of the tax burden for too many years. The state has more means of taxation and should take over the burden from the counties and cities, rather than to have greater burdens thrust on real estate.

Chamber of commerce speaker says orders placed for airplanes, which will carry 40 passengers at 225 miles an hour. What died at Banks December 7. a long way from the days of our pioneer ancestors, who labored for months in crossing the plains.

Advance in milk prices at the Carna-Advance in milk prices at the Carna-tion plant here is clearly indicative of im-died here December 12. Court house on part of the proved economic conditions. May these gains to the farmers continue.

Coast building permits up 90 per cent. -Headline. If the building industry ever gets into high this nation will be over the top in the matter of recovery.

Merry Christmas to All

Publishers and employes of the Argus are again happy to be able to wish the advertisers and thousands of readers and friends a very Merry Christmas. We wish to express our appreciation for the kindly co-operation, which makes it possible for us to give you a newspaper that is welcomed in the great majority of homes in this area. It is our hope that we may continue to justify the support of all and to hope that in this friendly and home-loving community cordial relations will always

People of the community are to be commended for effort put into decorating their places of business and homes for the holiday season. It adds to the cheer of Yuletide. Such a nice job of decorating has been done on the city hall that everyone should see it.

The Christmas lights surely brighten istrator, feels that it is more the duty of up the business streets of the city. It the state to provide for the relief of needy would be fine if we could have these than the municipalities and counties. He bright lights all the time. It should create
