

Plan Program Kinton Sunday

School Christmas Program Grange Hall Friday

(By Mrs. E. L. Cox)
KINTON—A new bell was installed by the trustees of the church the last of the week, and was rung for church services for the first time Sunday. Sunday morning church time is 9:45. During the Bible school hour, there will be a musical and literary program by the children, and a Christmas tree. Everyone is invited. The program will be about 10:45.

S. H. Pomeroy, Everett D. Wright and Edward L. Cox went to Unionvale last Tuesday evening to assist in the organization of an Albright Brotherhood.

Leg Fractured

Charles Kubel Jr. broke a leg last Friday while helping his father prepare wood, and was immediately taken to the hospital.

There are several cases of mumps and measles around town, but all are improving.

Mr. and Mrs. Carroll Parrott of Beaverton visited Mrs. Parrott's parents, Mr. and Mrs. Warren Wilson, last week.

Friends of Mrs. Virgil Landess (Edith Vankleek) will be sorry to learn that her husband is ill in a hospital in Toledo, with bronchial pneumonia.

To Install

Following the Sunday service the pastor, Rev. Virgil Speece, will install the new officers of the church and Bible school. They will fill their offices for the first time January 5.

Program Friday Night

The school will hold its Christmas exercises Friday evening at the Grange hall. The teachers have prepared a program, consisting of musical and literary numbers. There will be a Christmas tree and Santa Claus will be present.

Youth on Parole Confesses Theft

Fast work on the part of deputies in the office of Sheriff John Connell brought the arrest of a 13-year old boy on parole from the state reform school following a robbery Tuesday at the home of C. W. Wright, who lives a mile north of the local high school.

The boy readily confessed the theft of a 17-jewel watch and chain, woman's ring and other small articles. He entered the house by breaking the lock on a kitchen window. He will be returned to the state institution, the officers said.

Another robbery reported Wednesday was at the Hillsboro Feed company, where a warehouse window was broken open and a sack of flour stolen.

Somebody somewhere was carrying a horseshoe Saturday night when he attempted to steal grain from the Austin Sims barn near Farmington, according to deputy

sheriffs. Thefts, which have been underway for some time there, caused Sims to station his hired man in the barn with a shotgun. At 7 o'clock the man heard someone enter and so opened fire. The intruder fled, apparently untouched. Investigation in daylight disclosed that the shotgun had been aimed low and the charge entered the floor in front of the intruder. A slightly higher aim, the deputy said, would have resulted in a legless thief.

Midnight Musical Festival Tuesday

(Continued from page 1)
Venetian, at the second show Tuesday evening as his Christmas gift to the council. After the musical festival, they will go caroling through Hillsboro streets. All persons desiring the carolers to sing at their homes are asked to notify Pastor Henry S. Haller, council adviser, at Pilgrim House office.

Pilgrim House, council headquarters, will remain open throughout the night, and after the street caroling, breakfast will be served to those participating. A special breakfast will be served after the first mass at St. Matthew's church, for Catholic carolers.

Drive for Christmas toys ended this week, and total of more than 300 items was turned over to the ladies of the Coffee club for their Christmas party. Council members will also deliver small trees and remembrances to the aged sick and shut-ins of the community on the day before Christmas. There will be no regular club meetings during the school holidays, but Pilgrim House will be open throughout the week with "open house" for both club members and any interested adults.

Miss Barbara Ritemour spent the week-end in Banks with relatives. Frank Smejkal and Walter Beard are employed at Westlimer and drive there from home each day.

Roger Scofield and Jack Seabold of Buxton visited Carl Teller Sunday.

Ray Kelly of Bald Mountain visited the V. C. Strubbs family Sunday.

Local Seed Corn Found Best Producer in Tests for Silage

Results of five silage corn trials, which were carried on in the county last summer, indicate that local Minnesota "13" seed corn is superior to Idaho Minnesota "13" seed corn for the production of silage because it produces an equal tonnage on a dry weight basis and in addition yields on an average 1 1/2 tons more ears per acre, reports L. E. Francis, assistant county agent.

A conclusion as to the results of these first trials indicate that the Idaho seed will produce the largest total tonnage, exceeding by six tons per acre the average yield of silage from the local seed. However, this entire six tons' advantage in yield was water, since on a dry weight basis the production for the local seed is 134 pounds more per acre. The average percentage of moisture for the local seed was 20 per cent less than the Idaho seed, difference being due to the earlier maturing characteristics of the locally-grown corn. Finally, the quality of the silage from the local seed will be much superior to that of the Idaho seed because of the 1 1/2 tons more ears per acre which is produced by the local corn.

These trials were conducted for the purpose of determining which of the two seed strains, local Minnesota "13" or Idaho Minnesota "13", will produce the larger tonnage and best quality silage.

One-acre plots of each variety were planted on the farms of August Itäl, Tuulatin; J. L. Batchelder, Rt. 1, Hillsboro; Cecil Heynderickx, Rt. 1, Cornelius; A. E. Krahmer, Rt. 2, Cornelius, and John Cordes, Rt. 1, Forest Grove.

These trials will be conducted again next year at which time another variety of seed which is very popular among dairymen, the Putnam Red Dent, will also be included. Any further information regarding these trials can be obtained from the county agent's office.

CALL FOR WARRANTS

All County Road Fund Warrants of Washington County, Oregon, endorsed "not paid for want of funds" on or before June 30, 1935, are now payable at the office of the County Treasurer, in Hillsboro, Oregon. Interest on such warrants not heretofore called will cease December 31, 1935.

MAUD W. BOSCHOW, County Treasurer.

Dates for Potato Meetings Are Set

(Continued from page 1)
sales quotas in this section is going to be difficult because of the manner in which marketing of the potato crop has for years been carried on. Cyrus says. Regardless of whether they want it or not, the growers want to know what it is, and it is for that purpose that this schedule of meetings has been arranged.

"Growers of a good many of the big producing sections demanded this act of their congressional dele-

gations and they got it, though from some reports it would seem that there may be a chance of its being thrown overboard yet. However, in some of the southern states where early potatoes are already planted, the work of establishing individual producers sales quotas has already been completed.

Under the provisions of the act the grower has several options in establishing his quota. These together with a tax imposed where the quotas are not accepted, and other details of the plan will be explained at these meetings. A complete schedule is as follows:

Thursday, December 26, 1:30 p. m., Laurel hall; Friday, December 27, 1:30 p. m., Cedar Mills; Saturday, December 28, 1:30 p. m., Sherwood city hall; Monday, December 30, 1:30 p. m., Kinton hall.

Dog Fees Set
Dog tax fees and penalties for

non-payment were set by the county court Saturday as follows: Male dogs and spayed female dogs, \$1.25; and female dogs, \$1.50. Penalty was set at \$1.
