Farm Federation Opposed to Bills

Federated Farm Organizations at the December Sessions Here Went on Record as Being Opposed to the Three Bills to be Voted on at the Special Election in January

Federated Farm Organizations at the December sessions here went on record as being opposed to the three bills to be voted on at the special election in January--the student fee bill, sales tax bill and primary election date change to September.

September was voted faculty members, who are trying to influence students to vote for the bill. R. Frances Meyers, Everett Shipley, Robert Peters, from the David Hill school; Dale Bergreen and Allene Amacher, both in the 3A, have been absent. Bernard Van Meltebeke of the 2A was the only absentee in his room. Mrs. Myrtle Krueck, teacher at the junior high, has been seriously ill at her home for two weeks with septic sore throat. She is not expected to return to school for several weeks.

Mrs. Jennie Hurd, a December graduate school at Monmouth, is substituting for Mrs. Krueck.

There have been several new pupils in the schools. Mary Louise Purdie from Eugene has entered the 7A class at junior high, and Lucille Johnson from Montana is a new pupil in 6A2. Howard Johnson from Montana recently enrolled in 5A at David Hill.

The three sixth grade spelling classes of the junior high are having a contest. The "Army" and the "Navy" are the two rival groups. The contest closes before final examinations, and the losing side will entertain the winners.

Raymond Meltebeke has the highest average in the 6B arithmetic class as recorded on individual progress graphs kept by each pupil during the last month.
