WPA Employment Rules Banks Sewer Project Disappointing

(By Miss Mary Sandy)
BANKS—Mr. Allen, a government engineer, met with the city council Monday afternoon about the sewer system. Some of the bids for material have been accepted. Mrs. Florence McFarlane was given the contract for the gravel, sand and cement. The Portland concrete and pipe company has been awarded the contract for the pipe. It was planned to begin work January 21. There is quite a bit of disappointment among the people in Banks in regard to the men who will be given employment on the sewer system. Only those who are employed before November 1 will be employed. This leaves out men in Banks who would like to get work here and who feel entitled to work. Most of the workers will be brought from other places.
