No More Coughing or Sleepless Nights
 Mr. H. A. Allan, of Sarnia, Ontario, writes: "For years I suffered every Fall and Winter with a terrible cough. I have had many sleepless nights and coughed until tears ran, and my stomach ached. I started again with the same old cough about October first—but after a few doses of BUCKLEY'S MIXTURE my cough was gone."
 You can't go wrong on Buckley's. Often one or two doses ends a stubborn cough and some of the toughest old hang-on coughs leave for good in day or two. 45c and 85c at Hillsboro Pharmacy or any drug store. Money back if not delighted.—Adv.
