Finances Aided

WASHINGTON, D. C .- With state overnments hard pressed for ands, the return of legalized beer has been a big aid in the maintenance of public school systems, unemployment relief, and public welfare work generally, according to reports from administrative ofstatistics compiled by the office of education, U. S. Department of interior. In addition to one-quarter billion dollars revenue obtained by the federal government in 1935 from the manufacture and sale of lected approximately \$55,000,000 in excise and special taxes on beer. Approximately \$55,000,000 from such taxes also wos obtained by local governments. About 50 per cent of the revenue from beer collected by state and local govern-ments was used for educational charitable and public welfare pur-

"The Ford V-8 uses less fuel and

oil for the power it gives than

any other car we have ever made

AND ITS UP-KEEP COST IS THE LOWEST"

gallon is less than \$10 for a whole year's

average driving (8400 miles at 18 cents

a gallon). Here are the big items that

make the Ford the most economical car:

Long life. Slow depreciation.

More value for every dollar you pay.

Lower cost for repairs and service.

Quality means economy and the 1936

Ford V-8 gives you more real quality

than any other low-price car. No other

car under \$1645 has a V-8 engine. No

other low-price car has Center-Poise

Riding, safe, sure mechanical brakes and

Safety Glass all around at no extra cost.
