

Laurel People Honor Fathers

Bible Presented Two for Attendance Records

(By Mrs. F. L. Brown) LAUREL — Father's Day was observed at the church Sunday with decorations of beautiful bouquets of cut flowers and recitations of cut flowers and recitations...

Quarterly conference of the three Evangelical churches of this city Laurel Mountain Home and Kinton will be held in the Kinton church Tuesday evening. The pastor, V. T. Speece, cordially invites all those interested to attend.

John Sumner of Kanaskit, Wash., was a guest at the Calvin Whitmore home the past week.

Mrs. Mrs. Calvin Merrill of Los Angeles, Calif., visited at the L. A. Whittle home last Tuesday. They were enroute to Glacier National park on a vacation. Mrs. Merrill and L. A. Whittle are cousins.

Dean Watkins is spending this week with her cousin, Helen Guenther of Chehalis Mountain. Red Rutschman attended the "Red-Head" roundup at Taft Saturday and Sunday.

Mr. and Mrs. Calvin Whitmore took her brother Leslie Launer, who has been here and in Portland for some time receiving medical treatment, to his home in Kanaskit, Wash., Wednesday. While there they will visit another brother, Adam Launer, at Kanaskit and a sister, Mrs. Alvin Haines (Maggie Launer) at Oroville. They expect to be gone about three weeks. Pauline Peterson of Cherry Grove is assisting Mrs. Launer in the work while the Whitmores are absent.

Mr. and Mrs. S. E. Stoller and Bernice and Jimmie Stoller went to Corvallis Saturday to bring Viola Stoller and Betty Jean Davis home from 4-H summer school. They returned via Woodburn and visited Mr. Stoller's mother, Mrs. Annie Kauffman.

Mr. and Mrs. George Tews of Gaston and Mrs. Earl Donelson, Mrs. John Kamna and Betty Kamna of Hillsboro visited W. L. Stevens at his home Sunday, where he is convalescing from a major operation.

A Father's Day supper was enjoyed at the F. L. Brown home by Mr. and Mrs. B. G. McVay and daughters of Forest Grove, Mr. and Mrs. Lee Brown, Mr. and Mrs. F. L. Elbert and Illie. Ina Stevens spent Sunday at the "Red-Head" roundup at Taft and visited their aunt, Mrs. Clifton Bagley, of Oceanlake.

Mr. and Mrs. Herman Whitmore and Mr. and Mrs. Arland Whitmore went to Pacific City last week to get clams for canning.

Mr. and Mrs. W. H. McVay and Billy attended the annual picnic of Gaston and carried Mrs. Earl Donelson, Mrs. John Kamna and Betty Kamna of Hillsboro visited W. L. Stevens at his home Sunday, where he is convalescing from a major operation.

Mr. and Mrs. W. H. McVay and Billy attended the annual picnic of Gaston and carried Mrs. Earl Donelson, Mrs. John Kamna and Betty Kamna of Hillsboro visited W. L. Stevens at his home Sunday, where he is convalescing from a major operation.

Christian Science Report Made

BOSTON, Mass., June 8—An appeal to Christian Scientists to work for the demonstration of World Peace, the reading of reports by church officers on the various activities of the movement throughout the world and sustained demand for the writings of Mary Baker Eddy, Discoverer and Founder of Christian Science, marked the annual meeting today of The Mother Church, First Church of Christ, Scientist, in Boston, Mass.

Election of Mrs. Elizabeth Cadwell Tomlinson of Boston as President of The Mother Church was announced. She succeeds Dr. Frank C. Colby. Mrs. Tomlinson was born in Byron, Wisconsin. After graduating from St. Helen's Hall, a well-known Episcopal private school, she received a remarkable healing in Christian Science which brought her into the practical of this religion. She was one time a delegate appointed by the Governor of Oregon to a conference of women's organizations in Paris in 1914 she was in London, England, at the outbreak of the "War of the Worlds" and accompanied Mrs. Herbert Hoover in relief activities.

The addition of 22 new churches and eight new university organizations, making a total of 2751 branches of The Mother Church and 55 college and university organizations, was announced by the Department of Branches and Practitioners.

Among new Societies was one formed by the natives in a mountain province of the Philippine Islands. They have been holding a conference over a period of years and this past year came to the point in growth where they were able to go forward as a branch of The Mother Church.

Approximately 6000 Christian Scientists representing every state in the Union and practically every civilized nation in the world attended the meeting. The main floor and three galleries were filled within a short time. Four churches doors were opened, the overflow being accommodated in the original Mother Church where amplifiers were installed.

Introducing the theme of World Peace, William P. McKenzie, president of the past year chairman of the Board of Directors, told the audience, "There is a rising demand in the hearts of men for freedom and justice. Can it be met by fair dealing and courtesy, or is it to be met by force? Instead of battling with others to set them right, let a man become right himself and influence his neighbor by his good example."

Mr. McKenzie designated the way in which peace can be realized, pointing out that "when in a branch church growth has been made to the point that members respect one another and show deference and courtesy, work is done in friendliness. May not a time be coming," he asked, "when in congresses and parliaments good will of this sort will show like harmonious and results?"

Our Leader in her preface to "Miscellaneous Writings" spoke of "the spiritual glow and grandeur of a consecrated life wherein dwelleth peace, sacred and sincere in trial or in triumph." Following her introductory remarks, she dignify this coming year by an endeavor "to keep the unity of the Spirit in the bond of peace."

As retiring President Dr. Frank C. Colby declared it "encouraging to find that Christian Scientists are realizing more fully and more keenly that Christian Science is something more than a glorified theology; that it is a demonstrable science of the nature of God. Thus he is both religious and scientific."

Following which he introduced Mrs. Elizabeth Cadwell Tomlinson as the new President of The Mother Church.

In her address, Mrs. Tomlinson spoke in somewhat the same vein as Mr. McKenzie, declaring that "the developments of this hour in world history are not disheartening to the thinker in Christian Science. These developments corroborate and fulfill our Leader's prophecy (Miscellaneous 281:28): 'War will end when nations are ripe for progress.' As humanity ripens in courage, in purity of purpose, in increasing virtue, in holiness, this ripening will hasten the day prophesied by our Leader when 'the Christ-spirit will cleanse the earth of human gore' (Miscellaneous 265:9). It is the life of men, not the death of one that determines the peace of nations."

Edward L. Ripley, re-elected Church Treasurer, expressed gratitude that the indebtedness of a year ago, resulting from the re-making and re-issuing of the former publishing house to serve as the Church Administration Building, had been met in full through the active co-operation of the field together with the earnings of The Christian Science Publishing Society. "There is no debt of any kind on the new Publishing House and other property owned by The Mother Church or its affiliated trustees," he said.

Also re-elected was Ezra W. Palmer, Clerk of the Church. One of the principal duties of the Clerk and his co-workers is the handling of applications for membership in The Mother Church.

His report included information as well on the relief work done by the church. The Relief Fund of The Mother Church alleviated distress caused by hurricane in Florida; by earthquake in Montana; continued work at the Veterans Hospital, Otis, N. C.; aided those whose property was damaged by tornado in Mississippi and North Carolina; and assisted sufferers from floods in southern and eastern states. Relief was dispensed among Christian Scientists and non-Christian Scientists in 14 states. In the course of this work assistance was given to or through a number of ministers of other denominations who have expressed much appreciation for the assistance and the spirit in which it was administered.

William M. Harlett, Secretary to Trustees, under the Will of Mary Baker Eddy, reported expenditure of more than \$150,000 during the year just past, "to more effectively extend and promote the religion of Christian Science." This money went to aid churches and societies to erect or purchase their own buildings, for the free distribution of authorized literature, for supplying literature in Braille for the blind, for aiding branches in paying for their first lecture, and in Germany, for assisting Christian Scientists there who would otherwise have been unable to receive authorized literature following certain restrictions made last August by the German Government.

William W. Davis, Executive Supervisor of Christian Science Charitable and Benevolent Institutions, reported increased guests at both the Pacific Coast and Chestnut Hill Sanatoriums as well as loyal support of the Pleasant View Home.

As Manager of Committees on Publication, C. Augustus Johnson declared, "We may well rejoice at the continued progress of our religion and the continued growth of our organization. But, when we consider how many years were required to leave the thought of the world sufficiently to make it possible for our Leader, Mary Baker Eddy, to establish the religion and the organization of Christian Science, we must realize that the work of accomplishing her purpose to reinstate primitive Christianity and its lost element of healing (Manual p. 17) has hardly more than begun."

Mr. Norwood disclosed that through the publication of religious items and the radio-casting of religious programs and news comments from The Christian Science Monitor, friendly relationships have been established with about 2000 newspapers and 300 radio stations. Through these contacts some 150,000 friendly and constructive news items were published, while more than 5000 religious programs and items of religious interest were put out on the air during the year.

Miss Margaret Murney Glenn as chairman of the Board of Lectureship for the past year cited cases of instantaneous healings which had taken place as a result of public lectures on Christian Science.

She disclosed that members of the Board of Lectureship carried Christian Science messages to the four corners of the globe, delivering 1311 lectures with an attendance of approximately three million persons. Ten lectures were given in Africa, 29 in Australasia, 17 in Hawaii, China, Japan, Java, Ceylon and India, one in the City of Mexico, 17 in South America, 9 in Bermuda, Canal Zone and West Indies, 225 in Great Britain and Ireland, 204 in continental Europe and Scandinavia, and 2969 in Canada, the United States and Alaska.

The fruits of Christian Science in healing all manner of disease and disorder was attested in selected testimonials read by Mrs. Jennie H. Jarvis.

Speaking for the Publishing Society, Fred M. Lamson, Trustee, told the meeting that no publisher ever had a more responsive, enthusiastic and devoted public as partners in a great business, than those who publish the Christian Science literature. "We say with grateful hearts that it has been a good year," he said.

"Our business condition is satisfactory and there has been a healthy growth in advertising income. This is shown in the subscription lists of all the periodicals.

"Many have inspected the new Publishing House, and in the last twelve months approximately 120,000 visitors came to view the Mapparium, among them persons from many lands."

County Court CLAIMS ALLOWED FOR MONTH OF MAY, 1936. R. and H. Kurt Meyer, \$32.48; V. L. Henderson, \$22.32; Bob Melquist, \$26.69; G. O. Fisher, \$49.90; Gilbert Porter, \$25.11; Harry Howell, \$27.70; Leo Howell, \$27.70; Geo. Riggie, \$125.95; Saxton & Looney, \$305.63; The Portland Machinery company, \$49; Jacob Hafner, \$3; The Clark & Wilson Lumber company, \$63.74; C. W. Gilson, \$47.91; Rogers Mill Co.
