King Lytle Given Praise by Paper

The Bend Bulletin has the following to say regarding the transfer of King Lytle, former Hillsboro boy and the son of Mr. and Mrs. C. E. Lytle of Hillsboro, from high-way division engineer at Bend to the same position at Roseburg:

In a few days King Lytle, highway division engineer here, will leave for his new position in charge of another division west of the mountains. His friends here and they are many—will regret to see him go. As resident engineer at The Dalles before coming here in charge of the division and as the head of the local office, Mr. Lytle has gained a wide knowledge of the highways of this section. It seems unfortunate to lose the benefit of that knowledge but the policy represented by the shift is sound and the situation in hand just as he will shortly be in complete touch with all the affairs of his new post.
