

Kinton Grange Meets Tonight

Ladies' Aid Plans Picnic for August 6

(By Mrs. E. L. Cox)
KINTON—Kinton Grange will meet tonight (Thursday). All grangers are welcome.

Weekly prayer meeting and business session of the church will be held Friday evening at 8 o'clock. The leader will be Mrs. Madge Pomeroy. All are invited to be present and bring Bibles.

Mr. and Mrs. J. J. VanKleeck and daughter, Miss Helen VanKleeck, spent the 4th of July holidays with their daughter and sister Mrs. Virgil Landess of Chitwood, returning home the first of the week.

Mr. and Mrs. Verne Kellogg and daughter, Mrs. E. W. Kellogg, and Robert Kellogg, all of Wichita, Kan., are guests of Mr. and Mrs. Robert Pomeroy.

Ladies' Aid society met last Thursday at the home of Mrs. Sarah Dallmann with a good attendance. Next meeting will be with Mrs. Scott August 6 and plans are being made for a picnic at that time.

First quarterly conference of the Evangelical churches of this district was held at the Kinton church last Tuesday evening, with a good representation of the members from Mountain Home and Laurel churches. District Superintendent Dr. E. W. Petticoat of Salem, was the speaker. Rev. Virgil Speece, the pastor, conducted the meeting.

Mr. and Mrs. J. H. Aten and family and Mr. and Mrs. Robert Pomeroy and daughters attended the rodeo at Molalla Saturday. While there, they were guests of Mr. and Mrs. John Steelman.

The population of Kinton was very well scattered the day of the Fourth, but the majority found their way to Hillsboro, where a few were entertained in homes around town.

WPA Administrator Praises City Park

(Continued from page 1)

raising ceremony at the dedication of this beautiful recreational park, for that flag represents the government which made this park a reality for you. That flag represents the democracy whose birth we celebrate tomorrow, and which is each one of us and our neighbors throughout the land. President Roosevelt has asked that we be good neighbors and I like to think that the Works Progress administration, which I represent in Oregon, is an organization primarily dedicated by all our citizenry to act as a good neighbor to those in temporary need of neighborly assistance.

"In times of economic stress, a grave responsibility falls upon all of us. We are all partners in a joint enterprise, the federal government, and we must all do our respective parts well so that each member of our community may have an opportunity to work and retain his self respect. It is only through your co-operation, acting through local agencies, that we can set up WPA projects such as this handsome park. The city of Hillsboro and the federal government worked together and I am glad to further the mutual interest of each in you and your children.

"Out of the total cost of over \$12,000, the city of Hillsboro has contributed \$3545.11 to date, the balance, mainly representing the labor, having been furnished by WPA. We have spent over \$9500 of federal funds for honest, useful labor for Hillsboro, where common laborers, carpenters, carpenter's helpers, truck drivers, plumbers, plumbers' helpers, cement workers, timekeepers, foremen and so on. These are your fellow citizens, these are your neighbors. You know many of them, are aware that in large part, their condition of unemployment was not caused by shiftlessness or inefficiency on their part, but by conditions entirely beyond their control.

"These people, employed locally, will spend their wages here in your stores, contributing to your own prosperity. But I believe that our chief satisfaction should be in the thought that we have done a good job together in giving them honest employment at a wage that will give them decent living conditions. And we have given them more than just a wage—we have given them the opportunity to cooperate in something worthwhile for all of us. When the workers look at this swimming pool, this baseball field and bleachers, the drives and landscaping, can they help but feel pride in their accomplishments? They have done a good job. The citizens of Hillsboro may be proud of this park, and the WPA is proud to have cooperated with you.

"Do you know that Washington county can boast one of the highest ratings in all around accomplishments under the WPA of any county in the Pacific Northwest? Our engineers in this county, Floyd W. Allen and K. E. Tillotson, deserve much of the credit for that. Their untiring efforts, backed by your loyal support of them, have accomplished much work of permanent benefit.

"Do you know all of the WPA projects that are being undertaken

in your community? Remember these are your own projects. Go and look at them. See what we are accomplishing in this county, and I am sure that you will be as proud as I am of what our co-operation has been able to produce. You know of courses that the costly Wolf creek and Wilson river roads, both of which traverse the entire county from east to west.

Record Breaking Crowds at Park

(Continued from page 1)

arm a few days before the scheduled appearance here.

Accidents Few

On the grounds, a number of minor accidents from exploding fireworks, a broken wrist from a fall, and a sprained ankle suffered on the dance floor, were the sum of the accidents during the celebration. All accident victims were cared for by the first aid unit in connection with the Coffee Club information booth. The first crew included, Mrs. Margaret Logan, county nurse, assisted by members of the Sea Scout troop.

Plenty of music was furnished throughout the entire celebration with the Helvetia band playing Thursday night; the Bethany band all day Friday, and Bethany, Forest Grove, and Sherwood bands playing Saturday all day. A feature of the band concert was a massed band, including all instruments of the three bands playing Saturday afternoon.

Crowds on all three days were thrilled by the parachute jumps of George Hopkins, the 22-year old aviator from McMinnville, who made his scheduled leaps despite the heavy wind and low clouds. However, the cloudy skies and stiff wind kept him from making his altitude jumps as planned.

One of the well patronized features of the celebration was donkey baseball, which attracted large crowds at each of the three performances. On the first night, a Farmers' Union team met defeat at the hands of the Fairway Market of Hillsboro, 8-2 Friday night the Men's Breakfast club team of Hillsboro defeated Verbuort, 7-2, credit for the win going to the substitutes for Hillsboro. Saturday night Vernonia firemen defeated the Hillsboro firemen 5-3.

This year's celebration featured picnic parties in the shaded portions of the reconstructed park, and hundreds took advantage of this feature Saturday to spend the day under the shade. Friday 300 members of the Townsend club of this part of Oregon and their friends, staged a picnic with speeches and dinner at noon.

Parade, voted by those who saw it as one of the best ever staged, was held at 10 o'clock Saturday morning, and patriotic exercises in the auditorium which were well attended, opened the festivities for the final day.

The climax of the whole fete was the display of fireworks at night. The display lasted nearly three quarters of an hour, culminating in the American flag to the music, "Star Spangled Banner" played by the Bethany band and another set piece bidding the crowd good night.

Froman New Commander of Tualatin Valley Post

W. C. Froman of Metzger was unanimously elected as commander of Tualatin Valley post, American Legion, July 1 at Metzger club house. Other officers elected for the ensuing year were: W. J. Ream and W. H. Hunter, vice-commanders; J. O. Johnson, adjutant; E. E. Ammons, finance officer. Members of the executive committee are: Claude Nelson of Metzger, chairman; T. L. Tigar, Adam DeHaan of Garden Home and John Felsler of Beaverton. Delegates and alternate to the state convention at Roseburg are J. O. Johnson, W. C. Froman, C. R. Nelson, E. D. McEicker, C. A. Donnelly, and Fred Mills.

Scholls

Mr. and Mrs. Arthur Bogard of Estacada and Mr. and Mrs. Fred Aebischer and son of Bonneville spent the week-end at the Bogard farm near Scholls.

Rev. and Mrs. A. Ahalt and family of Portland and Mr. and Mrs. Merle Keller and daughter of Stafford visited the George Wick Sr. home Sunday.

Dr. and Mrs. W. B. Chandler entertained friends from Seattle and Spokane, Wash., at a week-end house party. Guests were Mr. and Mrs. Lewis Bedford and Mr. and Mrs. Cliff Washburn, Misses Sylvia Sterling, Helen Rose, Margaret MacDonough, and Messrs. George Weinhardt, Romeo Smith, and Robert Robb, and also a few Portland friends.

MRS. CLARA COFFMAN
Mrs. Clara E. Coffman, a former resident of Hillsboro, died June 28 at Grants Pass, after an illness of eight months, resulting from a fall in which her hip was broken. Funeral services were held in that city July 1.

Mrs. Coffman was formerly Mrs. George Ireland of this city, and is survived by a son, W. L. Ireland, of Portland, and two daughters, Miss Minnie Ireland and Mrs. Myrtle Hesse of Grants Pass.

She was born in Eugene in 1855, the daughter of Dr. and Mrs. Robert Alexander, pioneers of 1851. She had been a resident of Grants Pass for forty years.

No waiting... no suit... your auto accident adjustment will be settled promptly and courteously.

Cornelius Methodists Hold Farewell Reception Sunday

(By Miss Dorothy Cooke)
CORNELIUS—At the annual Oregon Methodist ministerial conference held at Corvallis two weeks ago, Rev. Charles M. Reed of the Hillsboro-Cornelius M. E. pastorate was transferred to Gresham and Rev. Alexander Hawthorne of the Clifton-Kelly church of Portland has been assigned to the Hillsboro-Cornelius pastorate. Sunday Rev. Hawthorne preached at the morning service.

A farewell reception was given in honor of Rev. and Mrs. Charles M. Reed and family and a welcome to Rev. and Mrs. Alexander Hawthorne and Miss Phoebe at the local M. E. church Sunday afternoon. An appropriate program was given. Many friends gathered to bid the Reeds farewell and wish them well in their new field at Gresham and to welcome the Hawthornes here.

Mrs. Julian Delmonte was honored with a party on her birthday at her home Thursday evening. Present were the honor guest, and Mrs. Mattie Smith, Misses Virginia Erickson and Helene Shaw, Lloyd Mundorf, David Edmonston and Frank Oliver and Julian Delmonte and family.

Ruth and Sarah Lee Davis of Portland, who have been visiting at the John Rock home since school closed, returned to their home in Portland last week.

Junior Aid of the Lutheran church will meet Friday afternoon at the home of Mrs. John Huisman.

Birthday Celebrated
Archie Duncalf celebrated his birthday anniversary Thursday evening with a family gathering, and Mrs. Duncalf, Mrs. William Mann and daughters, Mr. and Mrs. Harold Duncalf and Mr. and Mrs. Archie Duncalf.

Born, to Mr. and Mrs. Henry Hering June 23, a girl.

contemplating the installation of a pumping unit in the river to water a field of ladino clover for pasture for an increased herd. The pasture would be located on lands which lie adjacent to the river.

Dairying, Sills will tell you, has been a profitable business for him ever since the depression era, and Sills is well content to be a farmer, though he has been in business in Forest Grove and other places and operated a newspaper once in a Washington town for four years.

When he first planned to enter the dairy business, Sills conceived the rather unusual idea that there might be money in buying old cows discarded by other dairy men because of their line of rearings.

By diligent search he located Jersey cows of the type he wanted, at prices much less than he would have had to pay for young cows with the same records. Then he purchased a sire with a good record and pedigree. From this beginning he has built one of the outstanding Jersey herds of the county.

His latest purchase was the sire of the Hagg & Sons dairy herd at Redview, "Madrid's Tristram St. Mawes." This animal is 13 years old, but calves sired by him from Sills cows bring big prices from dairymen, the owner stated.

Sills also has a two-year-old bull, "Volunteers Oxford Tristram," which took grand champion prize this spring at the annual Washington County Jersey Breeders' association picnic and cattle show.

Some history attaches to both these animals. The old sire's ancestors were developed at Bellingham, Wash., where they attained fame. From this herd, D. C. Howard purchased two sires for his herd at Beaverton, paying \$6000 for the pair. They were Captain Tristram and his son, Madrid's Tristram, the offspring of this purchase, and his sons and daughters have become famous throughout the county.

Sills, if his plans carry through, will continue the development of his herd, expanding it to more than 100 cows, keeping pace with development of irrigation and electrical equipment on the farm.

Rev. Reginald Hicks of the All Saints Episcopal church addressed the Hillsboro Rotary club last Thursday. He pictured a land of brotherly love and said: "Never mind the past, look straight ahead."

W. W. Gardner introduced the speaker.

An expression of friendship, appreciation and best wishes was voted for Rev. Charles M. Reed, who has been a member of the club for two years and was only recently elected as a director. Rev. Reed has been transferred to Gresham.

others spent the vacation days at the coast or visiting.

Mrs. Charles Dumas and Edward Puncchar, 22, suffered sprains when their machine, and one driven by Lloyd Holt, collided at the intersection of the Minter bridge and River roads near Hillsboro. Both families live on route 5, Hillsboro.

Chris Ohmacht of North Plains, section hand for the S. P. & S. railway, suffered a broken leg and a sprained shoulder Thursday when the speeder on which he was riding struck a car driven by C. E. Kern of Hillsboro route 1 at Connel station. He was brought to Jones hospital, Hillsboro, for treatment.

Korn, according to a report made after an investigation by deputies from the sheriff's office, was crossing the track in his automobile, and failed to notice the speeder which was traveling east. Korn was bruised but not seriously hurt.

Ohmacht was thrown from the speeder and his machine somewhat battered by the impact, while the Korn automobile was wrecked.

and it was just the same old baloney. They don't know where they are going."

He attacked the curtailment of production and declared that no nation has prospered by limiting production. But to open the doors of the factories, he declared, funds must be placed in the hands of the consumers with which to buy the surplus.

"I agree with those persons who the committee was prying into the letter files."

"And the only letters they took from the files for the committee," Weir told his audience, "were letters written by 'soreheads.' This committee never took a letter complimentary to the doctor. But they never have gotten far with the doctor, just as they never get far with any man that is right."

"We have been making a mistake in talking of this as a pension plan. That is one reason we can't get the young folks more interested in it. These young folks do not understand that it is an all-embracing plan for the welfare of the young as well as the old."

"This is not a pension plan. It is an economic plan, and up to date there has been no valid argument made against it. They say the plan is crazy, but I don't believe that God would permit so many crazy people to live in one spot as there are Townsend people in America."

"We are not well thought of in either of the big parties, but this may be just as well for us," Weir told his listeners, which brought a cheer. "The reason there are not more senators and congressmen for us, I believe, is because they are afraid that we are making a racket of the plan."

"But the people of the United States never have paid out as much as an investment in good government as the nation has profited by the activities of the Townsend clubs."

"I have listened to the speeches made recently by both parties."

say that twelve million persons never will find employment again. Therefore, he urged, those who have served their years should be taken out of production and way made for younger persons.

"We are not offering to give something for nothing," he said, "but just offering to give to each individual \$200 a month to buy goods and services."

He urged that men be sent to congress who will represent the mass of the people. Nothing is wrong with the government, he declared. The trouble is with the people when, by not voting, they fail to keep control of the government with the people.

In the coming election, he remarked, the Townsends were not going to tear the dome off the capitol, but were just going to remove some of the "little domes within it." We are going to bring the government back to the people."
