

Hillsboro to Play Tualatin Sunday

Locals Forfeit Game Sunday

Newberg Contest Awarded to Bill Joos' Nine

Eastern Sunset
 W. L. Forfeit
 Hillsboro 4-1
 Newberg 3-2
 Sherwood 4-2
 Tualatin 7-2
 Hillsboro 7-1
 Newberg 3-2
 Sherwood 4-2
 Tualatin 7-2

Hillsboro's seven-man team last forfeit a game to the Garden Home nine Sunday which dropped Hillsboro out of the undefeated class for the second half. The game lost to Newberg last week was forfeited and awarded to Hillsboro because of the fact that Newberg had an ineligible player in the lineup. Had Hillsboro defeated Garden Home Sunday they would be well on their way to the second half title also but now the best they can hope for is a tie. Williams they defeated must still play Hillsboro which will give the "Smoke Eaters" their first win in the second half.

Hegb, Davis, Batchelor, Hanna and Sorenson failed to appear at game time and Bill Joos had previously excused Kyle Oakes, who was well earned a Sunday off, to Frank Heinrich, who is suffering a bad leg due to an injury last week. Had the absentees given notice of their intention to be gone two or more eligible players could have been had and a forfeit game avoided, but game time was too late to find replacements.

Garden Home agreed to tie Hillsboro play two men short and the game was a full nine innings with Rocky pitching, Zeigler catching, Houck first, Baker second, Shattuck shortstop, Leverett third, while Bill Joos covered all three outfield positions. Not a single fly ball fell safe to and up to Shattuck made a spectacular catch of a Texas-leaguer, and Baker playing deep, cut off another. Ground singles through and drives over the infield repeatedly went to the outfield. Zeigler, Baker and Shattuck each got one.

Hillsboro journeys to Tualatin Sunday to play a very tough opponent. Tualatin has lost two close games this half and was beaten in the first half by Hillsboro 3 to 0. This game will have a direct bearing on the second half as a defeat would put the "Smoke Eaters" out of the running.

Other games for Sunday are as follows: Garden Home at Willamette; Newberg at Aloha, and Oregon at Sherwood.

Years Make Change in Local Newspaper

(Continued from page 1)
 under headlines so that the reader can take his news at a glance or settle down for a longer session with the details.

We and The Argus of 15 years ago averaging six pages from month to month while your very modern Argus gives you an average of from 14 to 16 pages each issue. The copy used for comparison contains 14 pages.

On page two of the old copy, we find 103 inches of advertising and 47 inches of reading matter including a very brief editorial. The news consisted of personal mention items and a long letter concerning the Farm Bureau.

Page 3 of the modern Argus contained 184 inches of reading matter including detailed columns of news from some 30 community correspondents paid to gather and write of the affairs of their communities.

Page 4 of the paper of yesterday included 92 inches of advertising and 96 inches of reading matter, but did carry commissioners' proceedings and legal advertising. Page 3 of the new Argus had 46 inches of news about the home folk.

Comparison of page 4 shows 96 inches of advertising 15 years ago and 103 inches of advertising and 47 inches of reading matter in the modern Argus. The big news of 15 years ago was on page 5 on which is found 39 inches of advertising of various kinds and 96 inches of reading matter including three important headed stories and the remainder of the page given over to personal mention items with want ad advertising matter scattered throughout.

In comparison the modern page 5 contained 45 inches of reading.

We now have arrived at the last and back page of 15-year-old Argus and find 123 inches of advertising and 27 inches of reading, including want ads scattered through the personal mention.

The Argus of today surpasses 15-year-old paper by page after page on which a big proportion of reading matter is assembled, all current affairs of the county, city and community, and about persons who are your neighbors.

While sports came in for some mention in the old days, particularly the baseball team, The Argus now sets aside a page for sports news devoting whatever space is necessary to carry accounts of local sports events.

Another detail which surpasses the newspaper of 15 years ago is the present section of The Argus with its page 1 containing 69 inches of community news features to balance the advertising assembled here.

The two of this section is for editorials to which three columns of space are devoted, a feature which was not found 15 years ago. Besides the editorials, 29 inches of space is devoted to news of the churches of Hillsboro and other communities. There also is always an installment of a continued story by a popular author and an interesting column of news briefs from the state capital giving detail of what is taking place in the affairs of the state.

There follows two more pages of reading matter and then the page devoted to classified advertising. In the issue used for comparison there were 14 items of items advertised while in another part of the paper were 14 items for sale which came

Guardsmen Top Softball Loop

Newberg Contest Awarded to Bill Joos' Nine

National Guardsmen stepped into the leadership of the local softball league Thursday night by routing out the Royal Soda Works 9 to 2 in a thrilling 10-inning tilt. The Guards led 6 to 4 when the Royal team came to bat in the seventh. A rally gave the Soda Works four runs but the Guardsmen tied the score with two runs in their half of the frame. Two innings went scoreless and then the soldiers tallied the winning run.

Ray-Maling continued its upward climb by slaughtering Irelands 23 to 1 while the Perfection Bakery tramped all over Sauvie Island, Schulmerich and Rehe hit homers for Twin Oaks Scores:

LOCAL AREA LEADS IN BRINGING CHEAP POWER TO PUBLIC

AVERAGE TYPICAL NET MONTHLY BILLS FOR RESIDENTIAL SERVICE 250 KILOWATT-HOURS

Lower Willamette Valley (Paper Area) (\$5.99)	5 5 5 5 5 5
Oregon (\$5.99)	5 5 5 5 5 5
Washington (\$5.99)	5 5 5 5 5 5
New York (\$11.47)	5 5 5 5 5 5 5 5 5 5
U. S. (\$5.99)	5 5 5 5 5 5

The lower Willamette Valley is years ahead of the nation in bringing cheap power to the public, it is revealed by Federal Power Commission statistics.

Not only is average domestic consumption in this area far above the national average, but rates are among the very lowest. In fact, lower Willamette Valley rates are considerably below the Oregon and Washington average. And, according to the Federal Power Commission, rates in these states are the lowest in the United States.

This area is also a leader in rural electrification. The principal reason for this leadership is the exceptionally favorable line extension policy in force in recent years. Another is that metropolitan areas are granted throughout the rural area served. This is the only known rural area of its size in the nation enjoying city rates.

Customers in this area on Portland General Electric Company lines can get 250 kilowatt-hours a month—enough for cooking, refrigeration, lighting and operation of small appliances—for \$6.09. The national average is \$8.98.

Public Demanding Fair Week Tickets

(Continued from page 1)
 completing plans and arrangements for the boys' and girls' pet parade.

A new feature of the fair this year will be the junior pioneer pageant and parade. This event is sponsored by the Coffee club with the following committee in charge: Mrs. Maud Stannard, Mrs. Emma McKinney, Mrs. Fred Sewell and Mrs. Fred Engeldinger. Mrs. Edith Tozier-Weathered, who is probably the best posted person on early Washington county history, is assisting the committee. More complete plans will be announced next week.

The Washington county inventors' and manufacturers' show is attracting interest throughout the county, and space is being assigned to those who are making applications.

County farm organizations now are also making efforts to line up products for the Farmers' Union and Grange displays, always a big feature of the exhibits each year.

Relief Problems Discussed at Meet

Relief problems were discussed by the county relief committee and Elmer Goudy, state relief administrator, and his staff here Tuesday afternoon.

Those present in addition to Goudy, were Victor Carlson, assistant administrator; Leo Howard, state social work director; and her assistant, Mrs. Ava S. Williams.
