The Farmall Leads the Way To More Profitable Farming

ECONOMICAL, efficient power is always at the command of the row-crop farmer who owns a McCormick-Deering Farmall Tractor. This true, original, all-purpose tractor reduces production costs on every crop and takes the hard work out of farming. It provides power for all the regular farming jobs and for row-crop work in addition.

Do not delay owning a Farmall. It is a sound investment and proves profitable year in and year out. Come in and investigate the Farmall for yourself.

Built Entirely of Steel

The New McCormick-Deering All-Steel Manure Spreader

STEEL frame, steel box, steel bracings — ALL STEEL all the way through. That's what you get in a new McCormick-Deering All-Steel Manure Spreader. The rust-resisting, non-warping box is built of heavy-gauge galvanized steel containing copper. Remarkably light draft is provided by the use of eight roller bearings and Alemite lubrication.
