Christian Church Starts Preparing for Anniversary

The Christian church Sunday morning launches a year of preparation for the celebration of her 75th anniversary. At that time Floyd A. Ross, evangelist-entertainer, begins a series of evangelistic meetings to continue nightly. The minister, R. L. Putnam, also enters upon his fourth year with the local church Sunday.

Rev. Ross is an outstanding evangelist of the Christian church. While he has evangelized the past few years in the middle west, he is no stranger to Oregon. He completed his ministerial training at Eugene, and held pastorates in Oregon and Washington previous to entering into the evangelistic field. In the fall of 1927 the Ross Evangelistic company held a very successful meeting for the La Grande church where Rev. Putnam was then minister.

Rev. Ross is the sole member of his company and an outstanding success as a one-man team. He leads his own orchestra and choir and furnishes both instrumental and vocal solos. He plays two instruments, violin and saxophone, and draws very beautiful crayon pictures at every service. As a speaker the evangelist is also an accomplished lecturer, ready to speak to clubs and schools as well as at church inspiring, scriptural lessons, according to the local pastor.

Evangelist Ross' themes Sunday morning sermon, "The Church Beautiful," evening, "The Supremacy of Jesus Christ." Special music: violin solo, "Ave Maria" by Schubert; saxophone solo, "Sextette" from Lucia. Art picture, "Calvary."

Sunday, September 20, is "Aumsville Day" and at that time the local church plans to have as guests for the day a large delegation of Aumsville folk who attended services conducted by Evangelist Ross when student-pastor at Aumsville. The public is cordially invited to hear the evangelist.

ARMY DOCTOR PRESCRIBES FOR SLUGGISH STOMACH, BOWELS, LIVER, KIDNEYS

"Relief From Terrible Pain and Suffering Caused by Sluggish Stomach and Poisonous Bowel Accumulations—Or Pay Nothing!" Is Unusual Offer Made to All Sick People of This City

HOW long have you been suffering with sour, weak stomach, belching up foul gas and half-digested food? Is your tongue coated—your breath offensive? Do you have to get up several times every night with kidneys—losing needed rest, causing you to drag around listlessly all day?

How long since your bowels have moved naturally? Have you grown to depend on harsh purgatives, laxatives, physics?

No wonder you are getting sharp pains throughout your system! Unfunctioning of your vital internal organs you can expect to grow steadily worse.

New to This City Yes—of course—you've tried medicine after medicine. You've taken treatments for years, but you never took Williams' S.L.K. Formula! It's new here. In eastern cities, thousands of sickly people praise this formula for bringing them glorious new health at last, by removing poisonous bowel accumulations and stimulating kidneys, liver and stomach. At the Williams' S.L.K. Laboratories there are many letters on file from prominent citizens in various cities, all testifying to the great good this formula has accomplished in making weak, sickly, run-down men and women—whose stomach and bowels were clogged and whose kidneys and livers needed stimulating—feel like new again.

A World War Medicine During the World War this formula was originated by an army physician. It was so sensationally successful that the army doctor brought the prescription with him when he returned to private life—and improved in line with new scientific discoveries with what is known as Williams' S.L.K. Formula.

This is no "cure-all" or secret formula. Its ingredients are printed right on the package and everyone who knows medicine will instantly recognize that this formula is a great tonic to re-invigorate sick and run-down bodies. It has a wonderful action on the stomach and you will find you soon enjoy a wonderful appetite and can again eat the foods you like without suffering from stomach distress, gas or nausea.

Acts on Kidneys Your kidneys get a stimulating diuretic when you take Williams' S.L.K. Formula, and you can expect real relief from that dull aching feeling, those pains in the back, night risings and miseries so common in men and women over 40, caused by kidney sluggishness. That painful, bloated feeling in the lower stomach, caused by congested bowels, will respond to the

action of the herbs and medications in this formula, and your bowels will get splendid cleansing. All those clogged-up impurities that are poisoning your system and causing pain, impure breath, headaches, sleeplessness, worn-out feeling will be flushed out of your system and you'll feel better all over.

Money-Back Guarantee And now for the Big News. Did you ever before get a doctor's prescription under a guarantee that it would benefit you or your money back? No—you never did. But here is one doctor's prescription that is sold to you on the distinct understanding that it MUST help you—you MUST feel better—you MUST get immediate action and great benefit—or else we want you to return the bottle and carton and get your money back! This is no empty guarantee. The Williams' S.L.K. Laboratories have appointed a special local agent, the Delta Drug Store, who will represent the laboratories here. Get your bottle of Williams' S.L.K. Formula today from this drug store, under a money-back guarantee. Thousands of bottles of this fine formula have been sold under this plan and very few people could honestly come back to the drug store and say that this medicine did not do them a world of good. So, if this formula does not give you the relief you need, other sick people surely you cannot afford to miss this opportunity to test this new medicine at our expense. If you are suffering from sluggish liver, kidneys, bowels or sour, weak stomach—then go right now to the Delta Drug Store and get your bottle of Williams' S.L.K. Formula under the guarantee of satisfaction or your money back!—Paid adv.
