Proverb Rules

Each week for a period of six weeks the Hillsboro Argus will print one of a series of cartoons representing some well known proverb or saying.

Contestants solve the picture puzzles by writing the proverb that the cartoon suggests or illustrates in the blanks below the pictures.

The prizes, totaling \$10 in cash, will be awarded those sending in complete or near complete picture sets with the best and most appropriate answers to the pictures published, and either paying their own subscription for a period of one year or securing one new one-year subscription to the Hillsboro Argus. In case of tie judging will be extended to neatness and presentation of material.

Cartoons should be sent to the paper until the series is complete.

Only one answer may be given to a picture.

Each member of a family who sends a prize, the award going to the person in that family submitting the best set.

The answers may be written in pen, pencil, printed or typewritten.

GAS heating appliances cost less than other automatic heating equipment!

Portland gas gives you more over all economy than any other automatic heating fuel!

• Portland gas is economical to install and use in every size of home. You pay considerably less for gas heating appliances than for other automatic heating equipment. Gas appliances have a longer life, too. They contain no moving parts to wear or get out of order.

Maintenance costs are negligible. When you heat with Portland gas, you get all your gas at lowest cost on our thrifty combination rate. Let us give you a scientific estimate of what it will cost you to heat your home with gas. No obligations, of course.

A complete new gas heating system costs as little as \$287.50 and your old equipment*

*Terms—\$8.00 a month, plus small carrying charge

• Here is a remarkable offer! A new warm air furnace with a built-in gas burner, plus all necessary ducts, etc., to give you a complete new heating system. You can't buy any other type of automatic heating system for anywhere near this price. Most automatic burners alone cost as much as this complete installation.

*This \$287.50 gas furnace installation is for homes containing not more than 5 rooms and bath on one floor where a pipe furnace system is replaced. If your home has 2 stories and not more than 8 rooms, you will need the furnace priced at \$377.50 and your old equipment. Terms on this installation \$11.50 a month plus carrying charge.

Remember—the price of this furnace includes full installation, thermostat, humidifier, necessary cold air returns, necessary heat ducts wrapped in asbestos paper, and registers. You have your choice of gray, red or green sprayed finishes. All work is in accordance with the City of Portland's furnace code. Hurry! Order while the special price are still in effect!

Gas Conversion Burner installed in your present furnace \$99.50 up
