AMERICA'S FINEST LOW-PRICED CAR
The Crowning Achievement of Pontiac's
Policy of Giving More for Less

REMEMBER—no matter what other important business you have on hand—be sure to see the 1937 Pontiacs. You'll be well repaid, for Pontiac has built a new six and eight that have no counterparts in the history of motoring. The highlights of the 1937 Pontiacs are shown at the right. But even this imposing list can give you only the faintest notion of how completely Pontiac has overturned previous ideas of what a low-priced car should be. The new Silver Streak is bigger—full five

inches bigger—and what a difference that makes in roominess, riding ease, smartness! It's an even better value—enriched with more basic advancements than any new car at its price. And it is even more economical than last year's Pontiac, official economy champion of its price-class! Come in—see the latest, greatest models of the most beautiful thing on wheels—let your own eyes prove that everything points to Pontiac for 1937. It is America's finest low-priced car.
