Illness Yields To New Medicine

Lost All Interest in Life But Williams S.L.K. Formula Gave Her New Lease on Life

Remarkable Recovery from Steady Decline in Health, Credited to Prescription of Ex-Army Doctor.

OTHER treatments may have failed to get the cause of your troubles, but you certainly cannot overlook this unusual opportunity to try a medicine that was developed during the World War and has been prescribed, by a well-known ex-army doctor, to thousands of sufferers from sluggish stomach, kidneys, liver and bowels. The sensationally successful results obtained by Mrs. Irene Davis are sworn to in her following letter:

"For the past three years I have been terribly run down, half sick all the time. Had no appetite and food seemed to leave me nauseated after meals. During that time I lost eleven pounds! I got to the point where life held no interest at all any more. I was habitually constipated, and getting up at night became a regular habit that ruined my rest.

"I heard of the remarkable results of WILLIAMS S.L.K. FORMULA through a friend. So I bought a bottle to try myself. After the third day I began to get my appetite back and a short while after that I began to gain my old weight back again. I can truthfully say that WILLIAMS S.L.K. FORMULA has given me a new lease on life.—MRS. IRENE DAVIS, 2200 S. Virginia, Reno, Nevada.
