

WPA Theatre Group to Give Acts Saturday

(By Mrs. O. H. Peterson)
BEND—The Oregon WPA Federal theatre will present four acts of light, fast-moving vaudeville and a one-act comedy at 8 p. m. Friday in the new Sherwood high school auditorium. The 23 players and an 8-piece orchestra, under Bess Whitcomb, will provide the evening with entertainment following the dedication ceremonies of the new high school. No admission will be charged.

Frances and Patty Gholson have been absent from school for some time with the flu.

Miss Lucille Peterson, who is employed at the C. E. Stretcher home near Scholls, has been ill at the home of her parents, Mr. and Mrs. O. H. Peterson, and family for over a week with the chicken-pox.

Oliver Clark spent last Sunday at the home of his mother, Mrs. M. E. Clark, at Rufus.

Electricity is being installed near the north end of the Bend road. They expect to have the poles set this week and most of the homes along the line will be wired.

an aggregate sum greater than the new budget surplus have already been introduced. One measure calls for \$200,000 to finance construction of a new tuberculosis hospital in Multnomah county. Another provides \$54,500 to construct and equip a new 50-bed pavilion at the Eastern Oregon tuberculosis hospital at The Dalles. A third asks for \$80,000 to finance an Oregon exhibit at the San Francisco world's fair in 1939. Still another, a distinctly administrative measure, calls for \$100,000 to finance a new state mining board during the current biennium.

A bill by Hyde of Lane county, which has already passed the house, would make voting more convenient for residents of isolated sections of the state. It provides that persons living more than ten miles from a polling place may avail themselves of the absentee vote by going up to the day before election.

With him on the trip was Ben F. Logan, sales manager, and Jack Connell of the sales department. They were away two weeks.

Snow of 40 Inches Reported at Hayward

HAYWARD—Snow shovels, boots and high top shoes and leggings were in order the first of the week as snow fell this week to a depth of over three feet. Monday's snow increased the depth to 40 inches. Horses, men and home-made snow-plows opened the road for foot travel. A caterpillar and steel blade are needed to open it for automobile travel. The mail carrier, B. G. McNay, has had to have his car towed with horses for four days. Ross and Floyd Updike were out Tuesday with the truck, and it took them three hours to come up the hill with an empty truck from Hudson's to Hudson's barn, a distance of two miles, where they left the truck until morning. Traveling in this community the past week is walking or horseback. Beth Updike and Hubert Shaver were the only pupils in school Wednesday.

Superintendent to Attend Dedication

O. B. Kraus, county superintendent of schools, will attend the evening portion of the dedication ceremonies at Sherwood Saturday for the new high school, he announced yesterday (Wednesday). The ceremonies will begin at 1:30 p. m. with the sealing of the cornerstone. This will be followed by a program of music and speaking in the new auditorium, Kraus said. In the evening there will be a variety show by the WPA troop from Portland and music by the orchestra which accompanies the show. The feature of the event will be music by the 50-piece Sherwood high school band.

McNary Foresees Continuance of Nursery Schools

"It is my understanding that the nursery schools will be continued," states United States Senator Charles L. McNary, in response to a letter written by one of the parents of a pupil in the David Hill Nursery school. The management of the local nursery school appreciates the co-operation of everyone, including Pool-Gardner Lumber company, Copeland Lumber company, O. B. Kraus, county school superintendent, C. H. Kessler, superintendent of city schools; L. C. Mooberry, principal, other teachers of the David Hill school, and W. E. Kimball, janitor; the Coffee club, Well's Department store, friends and individuals who have donated toys, time, effort and money, and also for the co-operation of parents of the children.

Two measures, said to emanate from administration sources, are being whipped into shape for introduction. One would centralize the fixing of prison terms in the state parole board. The other would enlarge the powers of the parole board and its duties. It creates a full-time chairmanship of the board at an annual salary of \$4000 and a chief parole officer and staff of assistants whose salaries would be fixed by the board.

Maling Reports Business Good

B. E. Maling, manager of the Ray-Maling cannery, and members of his sales force, returned this week from Chicago and New York. In Chicago the party attended the annual convention of the National Cannery association and in New York they conferred with officials of the Frosted Foods corporation.

Maling reported an enthusiastic convention with business conditions in the east good and promises of improvement during the summer. Floods, however, were creating havoc, he said. Feature of the trip was the spring-like weather encountered on the east coast, where the first snow of the year fell in New York on January 20, Maling said.

With him on the trip was Ben F. Logan, sales manager, and Jack Connell of the sales department. They were away two weeks.

Highlights in Week's News

Thursday, January 28
Scout prepares for record flood as swollen rivers recede in north. Desperate fight waged on levees by 100,000 men. Approximately 1,000,000 homeless in 11 states. Cold increases victims' misery. Total dead 333.

Japanese threat to Pacific coast salient resource. Ice wall moves on Alaska city. Frozen tidal wave menaces homes at Barrow.

Deluge assails Mississippi river defenses as Ohio dumps its flood into parent stream. Levee system to face big test.

Social security law target of republicans in congress, who propose to include domestic servants and farm workers under the old age pension system.

End of long maritime strike believed near. Death by shooting penalty meted to 13 Russians charged with treason.

Saturday, January 30
Agreements between maritime unions and shipowners submitted to vote of workers. Result Wednesday expected.

Germany wild with joy over Hitler's withdrawal of Germany's confession that she alone was guilty of starting the World war.

Slight earthquakes, rain thunders and an ever-rising Mississippi river threatens 500,000 lives from Ohio to Gulf of Mexico. Crews work hard to keep river in bounds. Cairo, Ill. deemed safe as flood finds own safety valve and pressure cut down.

General Motors head denies he reached agreement with Secretary Perkins on strike issue.

President Roosevelt thanks country for liberal response to Red Cross pleas for help to flood victims and for support of birthday balls.

Sunday, January 31
Tension increases at Cairo, Ill., as Ohio river nears top of 63-foot sealoff. Further south a secondary levee gives way before the mounting Mississippi. Colder weather predicted.

West coast seaboard stirs as "back to work" preparations accompany Cross pleas for help to flood victims and for support of birthday balls.

Soviet presidium denies clemency appeals of 13 condemned men. Apple exporters lost practically

Former Local Resident Dies

Mrs. Hattie Irene Koeber, 32, wife of Herman T. Koeber of near Sherwood, died at the family home Sunday after an illness of three years.

Mrs. Koeber was born in Nebraska October 31, 1894. She is survived by the widower and the following children: Ivan N. of Beaverton; Kenneth of San Francisco; Velda of Sherwood, and Mrs. Lylas Koeber Bartlett of Portland. Two sisters, Mrs. Ferd Groner of Falls and Mrs. Lee Greenwood of Aloha, and two brothers, Ernest Cahow of Omaha, Neb., and Willard Cahow of Portland also survive.

Kenneth Koeber came up from San Francisco to attend the funeral, but Ivan, who is on a tour east with his orchestra, was unable to attend.

Funeral services will be held at the Scholls Methodist church Saturday afternoon at 2 o'clock with Rev. A. Hawthorne officiating. Interment will be in the Mountain-side cemetery. Remains will be at the Donelson & Sewell funeral chapel until 1 o'clock Saturday, where they may be viewed by friends.

Mr. and Mrs. Koeber are well known here, where they operated a confectionery on Second avenue for many years. Mrs. Koeber was a faithful member of Phoenicia Temple, Pythian Sisters, during her residence in Hillsboro, and had many friends in this community.
