Tooze Urges United Front; Favors Court

(Continued from page 1) and congress are elected by popular opinion and the constitution so designed the supreme court as to place it above partisianship. Vicious Attack

Of the many attacks of more re-cent years, Tooze said that the book, "Nine Old Men," is by far the most vicious because it seeks

to undermine the characters of the men on the supreme bench.
"This book charged," Tooze remarked, "that the justices are the

tools of exploiters and capitalists and yet we find it defending the very men who would destroy it." He quoted the recent decision on the Oregon criminal syndicalism law in which Dirk Dejonge, alleged Portland communist, was given his liberty after he had been taken to the east coast for deportation.

Refutes Partisanship "How can charges of partisanship against the justices be substantiated," Tooze said, "when the court ex-tends its protection even to this

Tooze pointed out that four of Forest Grove, honor guest, gave a who have been considered liberal in navy. their interpretations of the consti-tution. "These men, he said, because of their lofty position, could not come down to the level of their

McCORMICK-DEERING RAC RAC OR

Crawler Performance At Lower Upkeep Cost!

HE McCormick-Deering Model T-20 Trac-TracTor provides reliable and economical crawler performance under all working conditions-at lower upkeep cost.

Special dust seals protect the bearings of the drive gear and pinion shaft, the track rollers, and the idler bearings. The oil air cleaner removes all dust from the air before it enters the carburetor; a fuel strainer removes foreign particles from the fuel; and the lubricating oil passes through an efficient oil filter hundreds of times during each day's run. In addition to these important features, the Model T-20 is by far the most accessible crawler-type tractor
