

Hilhi Athletes Answer Call to Spring Sports

Hilhi baseball prospects seem rather bright following the first call for the baseball squad issued this week by Coach B. M. Goodman. Thirty responded, with many of last year's team returning. However, with only one pitcher from last year's squad, the hurling staff may prove a weak point.

Track call brought 35 responses with all but two or three of that number green material and never before in competition. What may develop is all in the hands of the coach, Goodman said.

Spring football practice, begun Tuesday after issuing suits Monday, found 40 aspirants seeking places on the grid team being developed for next autumn. From this material Goodman feels confident that Hilhi will be going places in scheduled competition.

Local Bargain Day March 20

Hillsboro merchants this week were rapidly completing plans for the Bargain Day, March 20, when local stores will offer an extra special bargain each in addition to numerous other bargains in various departments.

The details of the event will be announced through the Argus Thursday, March 18, with a full-page of special advertising in addition to the regular announcements of the various merchants.

During Saturday afternoon a large number of gifts will again be distributed in the street near the chamber of commerce building, with the crowd handled in a manner similar to the highly successful method used last time.

Two prizes, first and second of \$150 and \$1, are being offered to the first person to name the first merchant to sign for Bargain Day. Second prize goes to the first person to name the second firm. Answers must be brought to the chamber of commerce before March 20.

Bargain Day is sponsored by the retail traders committee of the Hillsboro chamber of commerce.

Electric Company Offering Contest
