

### Hillsboro Team, County League, Gets Overhaul

Washington County Baseball league will see many changes taking place in this Sunday's play. Farm Union has been revamped with the addition of new men and Bushlow as manager. Roy has added a new manager in Storey and Hillsboro has added several more seasoned ball players to help the youngsters.

Farm Union lost to Roy 22 to 4 when over half the team failed to appear on account of the weather, but will give Banks plenty of trouble Sunday on Banks grounds. Gaston at Verboort will be the classic with Dewey VanLoan, who struck out 16 batters to win from that team 2 to 1. Jansen will oppose him

on the mound for Verboort with a record of two wins in two starts.

Hillsboro meets Roy at Hillsboro. Roy hitting has been at a good average but errors have come at the worst time. Many of the weaker players have been dropped with this league furnishing tougher competition than in former years.

As the season advances, the top teams will have lost little in the percentage columns. The teams with veterans have been playing a high class brand of ball and no better games are seen anywhere.

League standing:

Verboort	W. L. Pct.	W. L. Pct.
2 1 0.667	Gaston	1 1 .500
2 0 1.000	Hillsboro	0 2 .000

### Schulmerich, Footloose, Seeking Berth

Released by the Portland Beavers with the statement that he was unable to produce hits and had a batting average for 18 games of only .241, Wes Schulmerich, outfielder for the Beavers, was home this week.

Just what his next move is will be determined by circumstances. West Hillsboro friends this week. Several telegrams are in the hands of managers of other professional teams. Wes said, and he hopes to be back in uniform somewhere for the remainder of the season at least.

Should this plan fail, he owns and operates a fishing resort near Beaver in Tillamook county, which he purchased and began to develop last year, and he may take active management during the summer.

Schulmerich is a former Oregon State college star athlete and he has been in professional baseball since his graduation 10 years ago. He was procured during the winter from Los Angeles in a trade for Goldie Hall.

His professional experience began in 1927 with the Los Angeles club, and after four years in the coast league he was sold to the Boston Nationals. He spent four years in the majors before his purchase by the Angels last year.

Wes was born and raised in Washington county and began his athletic career with Hillsboro high school.
