McCORMICK-DEERING

A Good Investment in a Modern Grain Binder

FARMERS have made a good start this year toward bringing their equipment up to date. How about the machines on your farm? Is your binder good enough to handle this year's important grain crop? Can you be sure it will see you through? If there is any doubt about it, see us about a new McCormick-Deering Grain Binder. We can supply these efficient, modern, light-running binders in 6, 7, 8, and 10-ft. cut. Whether your grain acreage is large or small-whether you farm with horses or tractor-there is a McCormick-Deering Binder for your needs.

Stop in the next time you are in town.
