

Hillsboro Gridsters Score First Victory of Season Against Vernonia, 12 to 0

Blue and White Outplays Heavy Line to Score

Displaying the same brand of improvement that it showed against McMinnville, the Hillsboro high school eleven dropped Vernonia by a 12-to-0 score on the latter's home field Friday.

Power plays led to the Hillsboro scores against a heavier team, and Vernonia never penetrated scoring territory.

In the second period a series of running plays brought the ball down to the six-yard line, with fourth down and two to go. Giving the pigskin to Tsugawa, the Hilli eleven tallied as the bulky guard rambled all the way for a score.

Again, in the third period, Hillsboro counted up a tally as a long pass led the way into Vernonia territory. After several line plays Grogan dashed across for the score. 80-yard dash No Good.

The two scores did not tell the whole story of the game. Just before the half ended the Hilli club pounded down to the six-inch line as the gun sounded. Again, in the third quarter, Grogan intercepted a pass on his own 20, reverse hulk field and scampered down the field for a touchdown that was nullified by a clipping penalty.

The vaunted Vernonia power attack bogged down against the scrappy Hilli forward wall. The center of the line—Churchley, Tsugawa and Jerry VanLom—displayed a smooth co-ordination, while the tackle duo of Himmelright and Bob VanLom continued to improve.

In the backfield, it was Grogan who led the way with his alert playing but Bronleeve contributed to the Hilli defense through his hard tackling.

It was the first victory for Hillsboro this year, after successive defeats at the hands of Beaverton, Scappoose, McMinnville and Camas.

Dr. Mills Captures Forest Hills Match

Close matches were the order of the closing matches of the Forest Hills fall handicap tournament as champions were determined last week.

Dr. R. L. Mills defeated Tom Bailey of Hillsboro in the championship finals by a score of one up. The two competitors battled on even terms up to the last hole when Dr. Mills sank his putt for the deciding hole.

George Laver won the third flight finals, defeating R. R. Easter of Hillsboro one up.

Mountindale Folk Return from East

(By Miss Margaret Mathiesen)
MOUNTINDALE—Mr. and Mrs. William Roehl returned Saturday morning from a month's visit with relatives and friends in Chicago, Illinois; Milwaukee, Wisconsin; Iowa and also Cheyenne, Wyo. They reported everything in the east to have been frozen long ago and weather quite bad, but while in Cheyenne they encountered a heat wave.

Mr. and Mrs. Elmer Mayes and son of Yamhill were Sunday guests of Mr. and Mrs. Loel Hollenbeck.

Mrs. Johnson Hostess
Mrs. O. Johnson was hostess for the Banks-Mountindale "500" club Tuesday afternoon. Mrs. C. B. Hall had high score, Mrs. Charles Dodson second and Mrs. Will Walker had third. Mrs. Fred Boyce and Mrs. John Jansen also won honors. Mrs. Claude Lynda will entertain the club November 30.

Mr. and Mrs. Rasmus Mathiesen and son Jimmy of Astoria were weekend guests of his parents, Mr. and Mrs. James Mathiesen.

Mr. and Mrs. Frank Corey had as Sunday dinner party guests, Miss Hulda Maurer of Portland and Louise and Herbert Maurer of Hillsboro.

Mr. and Mrs. Wes Schlegel of Elma, Wash., spent last week here visiting his brother, Ed Schlegel, and family and other relatives in Banks.

Move from Grove
Mr. and Mrs. Vernon Layton and twins, Jack and Jean, of Forest Grove are moving this week to the Ben Layton place.

Mrs. Truitt Hostess
Mrs. R. Truitt was hostess for the Past Chiefs club Thursday afternoon. After the business meeting "500" was played in which Mrs. Henry Cypher and Mrs. William Jones had high scores. Mrs. Richard Sandford will entertain the Past Chiefs club next time.

Mr. and Mrs. C. I. Williams and Warren Williams received word Monday morning of the death of

Goodman Head Forest Hills Country Club

B. M. Goodman, Hillsboro, was named president of the Forest Hills country club Wednesday night at the annual business meeting, succeeding Dr. R. S. Waltz, Forest Grove, who held that position for two years.

Ed C. Coman of Hillsboro was named secretary, succeeding L. P. Busch, Forest Grove. New directors are Russell Tisdale, Hillsboro; Gil Forsythe and Dr. Guy G. Gibson, Forest Grove. Holdover directors are R. R. Easter and B. M. Goodman.

A banquet commemorating the completion of remodeling activities at the club house was held. The new additions include two dining rooms and kitchen, locker room and shower were completed last year.

Frank Miller and Goodman awarded trophies for spring handicaps and for fall handicap flights. William Martin, manager of the course, dedicated the completed club house, expressing appreciation for the co-operation of club members and confidence in the future support from Hillsboro and Forest Grove. He gave a vote of appreciation for the fine condition of the course.

Hillsboro Bowlers Will Compete on Portland Alleys Next Sunday

Two aggregations were again tied for the lead in the American league in bowling competition as Fix-it and Ray J. Mann pin-smashers posted 10 victories each against eight defeated opponents.

Hornback's became undisputed leader in the City league with a mark of 825, while close behind was the C. C. outfit.

Plymate Bowls High
Best individual mark of the week was turned in by B. Plymate of the Progressive league, with 221. He was hard-pressed by B. Eslinger of the Commercial loop, with 221; P. Schurk of the City league, 210; W. Hughes (American), 203; S. E. Pagram (National), 190; P. Ringle (Pepco), 186. Best mark in the women's competition was the 194 turned in by M. Hewitt and E. Williams.

Two teams will go to Portland next Sunday to bowl in the Oregon alleys.

4-H Contest Draws Talented Composition

The recent 4-H rural electrification contest, won by Charles Shaper of Hazeldele, attracted wide talent in Washington county, officials stated.

Placing second to Shaper were George A. Allison Jr. of Nehalem Mountain rural electrification club, who is only 14 years old. His essay "Advantages of Electricity on the farm" follows:

Here's Essay
Electrifying the farms and farm homes has done much for the people of our nation. More advantages and advancement will be noted as electricity is being furnished to more farmers.

The new power projects now being built, the keener industry, and the education of citizens in the use of electricity, indicate that more and more people will make use of this great power.

President Roosevelt is interested in furthering the scope of electric power. With this, we are in hearty accord.

As a member of Mountain Home Rural Electrification 4-H club, I am learning more and better ways to use electricity on the farm. First, in order of importance, is the possibility of improved health, or conservation of good health. In this respect, perhaps, the benefit of electric lights in preserving the eyes of the nation should be mentioned first.

Reading and studying by the flickering fire light may have proved Lincoln's courage and ambition, but it surely did not help his vision. Today with properly installed lights to aid us, we can read or study with little danger of ruining our eyesight. Lights correctly placed, with proper amount of light for the eyes, can save us from the use of more hours, hours of work or play. We of this generation have many opportunities that the boys of Lincoln's time did not have. Yes, more opportunities than our parents had a single generation ago.

Proper lights not only preserve our eyesight, and give us longer hours of useful endeavor, but they help conserve our energy, science has proved that eye strain is deleterious to nervous energy. Defective vision frequently causes other ailments to manifest in the human body. Therefore, electric lights in correct location and amount are conducive to general health.

In our home we have an electric refrigerator. We make our own ice cream and have cold fruit juices to drink during the summer. In this way we save money of course, for we bought commercial ice cream frequently before we had the refrigerator. But of more importance, we save our health. For our own pure fruit juices are much more wholesome than the soda pop we formerly thought we must buy.

With our refrigerator in which to store milk, we drink more of this essential article of food, as necessary to the growing child and young person.

We eat more vegetables now, as salad materials crisp in the refrigerator are especially appetizing.

Beaver Preps Tighten Hold on County Lead

Beaverton high school strengthened its grasp on the county gridiron leadership last week-end, pounding out a decision over St. Mary's.

A mild upset was the 13-13 tie result of the Forest Grove-Tigard battle. The Grovemen went into the contest favorites, although their ranks were riddled with injuries. It was their first league game of the season.

County Standings
W. I. P. For Grove 1 0 960
Hillsboro 1 0 1,000
Tigard 1 0 950
St. Mary's 0 2 2,000
Forest Grove 13, Tigard 13 (tie).

Last Week's Games
Hillsboro 12, Vernonia 0 (non-league)
Forest Grove 13, Tigard 13 (tie)
Hillsboro 12, Vernonia 0 (non-league), Forest Grove 13, Tigard 13 (tie).

Hillsboro Grid Club to Seek Sherwood Win

The Hilli-Tigard football game on Armistice day will be played at 2 p. m. on the Hillsboro union high school field, it was announced Wednesday by Coach B. M. Goodman.

Seeking to post another win in Washington county competition, the Hillsboro union high school eleven will journey to Sherwood Friday for a "tuneup" game before the Tigard contest here Armistice day.

The Hilli gridsters' only league game—a 12 to 7 loss to Beaverton—put the local eleven down in the cellar.

Followers of the Hillsboro club saw a marked improvement in the play exhibited at Vernonia, and the 12-0 victory posted at the up-river school may prove the turning point of the season for Coach B. M. Goodman's charges.

Line Outlook Better

With the center of the line turning in its usual consistent performance, the outlook at tackles and ends appeared materially improved. Sutherland and Lawrence at ends have been displaying a better brand of ball, as have Himmelright and Bob VanLom, tackles.

In the backfield Goodman has been experimenting with several shifts. In any event, two of his most improved backs, Grogan and Bronleeve are certain to see action. It was Grogan who broke loose for an 80-yard canter against Vernonia only to have the play called back.

That cows are said to require, if they are to do their best.

With electric power, the farmer can grind grain and other stock food, pump water for his stock, irrigate and at small cost he can keep stock confined to certain pastures with an electric fence. This latter helps cut down on feeding expenses, as well as fencing costs.

An electrically equipped shop on the farm saves many a trip to town for minor repairs. Time and money is saved by this convenience. Not only is this true, but more important good may come from having a good shop on the farm. For the boys of the family then have a place to keep busy and interested.

Such equipment as a band saw and lathe for the boys to operate can do much toward developing work habits and interesting and beneficial hobbies. Such interests tend to prevent boys wasting time and money in running around looking for excitement. There is an old saying that "Satan finds work for idle hands." But with interesting things to do the boys of America will not have idle hands. More of such conveniences as our model shop will make for fewer ruined lives.

Bethany-Cedar Mill

N. P. Johnson, Leslie, and Roger went on a duck hunting trip to the coast over the week-end.

Mrs. Glenn Carr entertained with a dinner party Tuesday honoring Mrs. Guy Carr of Los Angeles. Mrs. Guy Carr is an aunt of Glenn Carr. Others present were Mr. and Mrs. Harvey Carr and Clinton Higgins of Portland.

Mrs. Henry Jacobsen went to Spokane over the week-end to attend the golden wedding anniversary of her uncle and aunt, Mr. and Mrs. Charles Bawne.

There will be a card party and dance at the Cedar Mill Grange hall next Saturday night. There will be dancing all evening.

Priscilla club met Thursday at the home of Mrs. George Fugy. They had a pot luck dinner. The ladies honored the hostess with a shower.

Jack Wynn returned home Sunday from Salem, after being operated on there. He is convalescing nicely.

Fined \$25
Howard N. Ball was fined \$25 in justice court on a charge of hunting without a license.

Coach's Choice---

By R. L. (Matty) Mathews
Coach, University of Portland
Portland vs. College of Puget Sound—Portland in a close one, Stanford vs. U. S. C.—Might be a tie.
Oregon State vs. Willamette—Oregon State.
California vs. Washington—California, very well-balanced and going strong, should win.
Washington State vs. Oregon—The Cougars because of superior defensive strength.
Montana vs. Gonzaga—I pick Montana, although from here it looks like a toss-up.
San Jose State vs. Santa Clara—Broncos should win, but it will be a real ballgame and might produce an upset.
Pacific Lutheran vs. Oregon Normal—The Lutherans to win.
St. Mary's vs. U. S. F.—St. Mary's because the coin fell that way.
Brigham Young vs. Wyoming—Brigham Young. The Mormons are coming up fast.

Say you saw it in the Argus.

The Outstanding 3-Plow Tractor

McCormick-Deering W-30

THE new McCormick-Deering W-30 Tractor stands head and shoulders above any other tractor of its type. It is different in that it has new types of seals which keep water, mud, dust, and other abrasive materials from getting into the operating parts. It has a ball-bearing transmission. Steering is made unusually easy through the use of roller bearings at the bottom of each steering-knuckle pivot pin and on the steering shaft just above the worm gear. In all, there are 34 ball and roller bearings in the W-30.

The engine features replaceable cylinders, hard exhaust-valve seat inserts, and provides abundant power to pull three plow bottoms under average conditions. These are just a few of the outstanding features that make the W-30 the best buy on the market. Stop in and see this tractor or ask us to demonstrate it.
