

Orengo Group Plans Program for Wednesday

(By Mrs. Gail Karns)

ORENGO—Women's Missionary society will have a special Christmas program next Wednesday afternoon at the church. Gifts of canned fruit or vegetables and jelly will be brought in.

Mrs. S. L. Carlyle is spending the week with her daughter, Mrs. H. N. Robinson, of Forest Grove, who had a severe fall last Monday and injured her head quite badly.

Have Scarlet Fever

The Heard family is quarantined for scarlet fever.

Mrs. C. Payne of Newport is spending the week with Mrs. George Persons.

To Locate Here

Mr. and Mrs. Keith Reynolds of Emmett, Idaho, arrived here last week and plan on locating here.

Mr. and Mrs. A. Parks left Sunday evening for Kellogg, Idaho, after receiving word of the serious illness of their daughter, Mrs. Frank Price.

W. J. Enschede has had a crew of men at work pulling the rose cuttings in the field, north of the Adam Bella farm. These roses are being graded and bundled in one of the county fair sheds in Hillsboro.

Mrs. Robert Elder of Deckerville, Mich., arrived Friday morning to attend the funeral service of her brother, B. A. Mitchell.

Floyd Karns Sr. spent several days at and near Sweet Home and returned with a truck load of cattle.

Make Improvements

Mr. and Mrs. Howard Betzer are papering and painting the interior of their house.

Elizabeth Karns has purchased the county owned lots, 5, 6, 7, 8, 9, 10, in block nine and lot 1 in block 3. She is having the old house torn down.

Mr. and Mrs. Kerr and daughter of Sweet Home arrived Friday and will spend the week with Mr. and Mrs. Ray Beighly.

Mrs. John Dappen and daughter Elizabeth and Albert Dappen spent Tuesday at the home of Mr. and Mrs. John Loganbuhl. Albert is assistant engineer on the merchant marine "Missouri" which is docked at Longview.

Rent Frank Farm

Dairy and Poultry Feeds

CHRISTMAS and dairy feeds have nothing in common, you say! On the contrary—if you've fed I. X. L. to your flock or herd during the past year, we know that the profits will provide the things to make this a Very Merry Christmas.

I. X. L. Feeds are designed to increase production safely and are reasonable in cost. These factors mean lower feeding costs and greater profits.

So . . . if you didn't use I. X. L. Feeds last year, we invite you to try them now. Not only are they made from the highest test concentrates and finest local grains, but they are manufactured right here in Hillsboro by people you know.

Look for the "I. X. L." on the Feed Sack
