**High School Debate Teams Begin Work**  
High school debate teams of the Northern Willamette district are just beginning to work up material for participation in the state-wide debate contest conducted by the Oregon High School Debating Association. Under the sponsorship of the general extension division of the state system of higher education, debates are scheduled for early January, the final to be broadcast on radio station KOAC about April 30.

Schools eligible for membership in Washington county are Beaverton, Gaston, Hillsboro and Tualatin. They will debate against high schools from Clackamas, Tillamook and Yamhill counties for the district championship.

The question this year is: "Should the Several States Should Adopt the Unicameral (one-house) system of Legislature?" The league divides Oregon into 11 districts which, through a series of contests, produce for the semifinals a winner from Eastern Oregon and one from Western Oregon. The winners to be awarded the University cup.

To be eligible for participation, high schools must register for the year through Dan E. Clark, extension division, Eugene, not later than December 15.
