

North Plains Bible School Opens Monday

NORTH PLAINS—Annual vacation school is scheduled to begin Monday at the Christian church here. It will continue two weeks, Mondays through Fridays, from 9 a. m. to 11:30 a. m. Classes are arranged for boys and girls from 4 to 18 years. The program will include music, Bible study, memory work, hand work, mission study, verse finding and character stories. It will be non-denominational and all boys and girls are invited. A new feature this year includes a high school class. Their study period subject will be "How Young People Should Study the Bible." The discussion period will be "What Boys and Girls are Asking" by Desjardins. Last year a questionnaire was given the pupils asking them to name the subject they liked best. Verse finding, memory work, hand work, music and mission stories were most popular in the order named. The second question was "What is Your Worst Fault?" The answers put temper, carelessness and disobedience as most. To those who answered "What is Your Best Wish," the answers were for happiness, travel, wealth and education.

The best compliment that can be given the vacation school comes from one of the pupils who says, "It makes all work seem like play."
