

First School Reports Due; S's Explained

(By J. W. Peyster)

The first six weeks of school end this Friday and the first reports to parents will be due next week. You will find this report identical with that used last year.

Some misinterpretation of the letters used, S and U, behooves us to re-state what they mean. S stands for the word satisfactory and means that the child receiving it, regardless of his mental ability, is doing a quality of work nearly approaching his best insofar as teachers are able to pass judgment. It is important, however, that both parents and pupils get the point that an "S" does not necessarily mean that a child is doing passing work. The close of the school year brought the discovery that this point was not clearly understood. A letter of explanation will be sent to all parents whose children receive this mark of "S" and are not doing passing work. We believe that will solve that particular problem.

The letter "U" is given to those children who are not doing a quality of work equal to their mental capacities. It is very obvious, then, that a child of good mentality and who is doing passing work may receive a "U." Such cases as this will necessitate a letter to parents.

This matter of reporting to parents has in the last few years been studied throughout the country both by school men and laymen. It has resulted in much reform, yet there are many schools using old methods. Few schools that have changed to the newer methods have had the boldness to leap the whole distance in one year as has Portland. The Portland system of reporting as they have adopted it for this year is like ours in philosophy but differs in one point. The chief difference is in their having done away with periodic reports on all children. Reports are sent out only on those children who are not functioning normally and the report is sent out at stated intervals of six weeks, but sent whenever it seems advisable. This is, of course, an improvement over our system and one that we had hoped to work into in another year. Can the Hillsboro schools abandon the six weeks reports on all children and report only on those children for whom we feel it is necessary, or must we continue as is? The system will permit us to make a much more comprehensive report than otherwise.

County Grand Jury Returns Indictments

(Continued from page 1)

Ira W. Carl, Portland attorney, defending LeRoy Smith, Circuit Judge R. Frank Peters presided over the trial, which saw the jurors return from their room twice Tuesday night to have certain court instructions read over as they attempted to agree on a verdict.

Members of the Smith case jury are Joseph Galbreath, John E. Hulsmann, Bruce F. McCann, William Martin Jr., Charles W. Spiering, Henry Jacobson, Edna Sineets, Craig Condit, Eva M. Price, Arthur Bauer, Fred Jossy and Abe Keenon.

Report Slated

Report of the October grand jury session is scheduled for this week's court session along with the appearance of Jack Estabrook, financial secretary of the Portland warehouseman's union, Estabrook, convicted for his part in the Fugate store bombing at Rock Creek in 1935, will be in court Saturday when his motion for an arrest of judgment will be argued.

This labor trial will re-echo in circuit court starting October 24 when the state tries William Persinger, state witness against Estabrook in the first three trials, for perjury.

Persinger repudiated his original testimony during the second trial.

Other cases on the court docket this week are Erickson vs. State Industrial Accident Commission and Sandstrom vs. the Accident Commission. These cases will be tried before Saturday if possible.

Circuit court orders signed this week by Judge R. Frank Peters include Walter Meizer and Dorothy Meizer vs. Hans Jurgensen, et al; default; May White vs. Richard White, decree; S. Schnitzer et al vs. L. N. Tompkins and F. E. Cornelius; Ravenna C. McCarty, default; Mr. and Mrs. A. Yeager vs. Mr. and Mrs. C. A. Tompkins, decree; Tualatin Co. vs. Stanley Beard et al, default and decree; and William G. Munel vs. Emma Munel, decree.

Cases filed for circuit court were Anna M. Dubach vs. Victor M. Dubach, and Isabel Clayton vs. Alvin Clayton both divorce suits.

County court probate orders given by Judge Elizabeth Templeton were as follows: Arvine P. Ornduff, hearing set; Donald T. Templeton, order to pay claims; John Medel, determining inheritance tax; Elmer Burch, guardianship; Louise Good.

Mr. and Mrs. A. Valentine have moved to their home on Green Mountain recently vacated by the Keim family.

Edwards Improved

Harley Edwards, who was injured in a fall from the hay loft in the barn at his home near Vernonia about a week ago, is reportedly improved. He received skull fractures and was taken to the Good Samaritan hospital in Portland. The Edwards family formerly lived here.

Registration books closed Saturday with 17 registrants in this precinct since the primaries in May.

Benefit Success

Benefit dance given by W. B. A. ladies at the hall Saturday night was attended by a large crowd. The sum of \$50.65 being realized above expense of the dance and supper which will be turned over to the school. Some donations were received for the benefit of the school.

Wilbur Frydendal Jr. is home from Dufur for a visit with his parents this week-end. He is working for his grandfather, Jim McFarlane, at Dufur.

Speed Wastes Money and Lives

Pictured above are some of the thousands of deaths which are a part of the annual price the American motorist pays for speed. Another item is accident costs which total \$1,700,000,000 yearly.

AUTOMOTIVE engineers' figures show that speed wastes fuel and materials; being imposed fines; and now a group of large insurance companies is offering a safe driver reward of 15 per cent of the liability premium for an accident-free year—all in the interests of safe driving.

Responsibility for one-third of the nation's fatal accidents—speed played a leading role in all of the six situations above.

TOP LEFT: This car "couldn't hold the curve at 65 and was cut

in two by the impact with the tree. Six passengers met instant death. **TOP RIGHT:** Frequently omitted from the driving budget, a speeding fine adds \$25 to the debit side of the ledger of motoring costs. **MIDDLE LEFT:** Hours of agony and weeks in the hospital were the aftermath of this collision with a telegraph pole. **MIDDLE RIGHT:** Forty thousand people meet similar deaths on the country's highways each year. **LOWER LEFT:** Under normal conditions a tire has a life expectancy of 20,000 miles; this tire

lasted two on Sir Malcolm Campbell's racer, "Bluebird." Another item to be added to the high cost of speed. **LOWER RIGHT:** The driver of the coupe on the right was in a hurry and was passing the car ahead when he met the automobile on the left. The truck driver managed to escape the flames, the man at the coupe wheel was not so fortunate.

Same driving is easy on your nerves, enables a substantial saving in fuel, repair and insurance costs... not to say a longer life and a happier one.

Buxton School Resumes After Layoff Due to Recent Fire

BUXTON—School was taken up again Tuesday after being closed for more than a week following the fire. The children are quite comfortably situated in the Grange hall with tables and chairs taking the place of desks. Many things will be missed that perhaps will take time to replace. The district wishes to express thanks for the aid given them by the use of books, etc., loaned them by other schools. Floyd and Buddy Keim, who recently moved here from Green Mountain, entered school here Thursday.

Miss Harriet Klum is employed at the Chris Tolke home near Manning.

Mr. and Mrs. A. Valentine have moved to their home on Green Mountain recently vacated by the Keim family.

History Reviewed Of Aloha Grange

(By C. E. Barker)

ALOHA—The first meeting of Aloha Grange was held September 1, 1932, in the Wheeler hall. It was organized with 105 charter members. The roster of the first officers was Henry H. Hagg, master; Mrs. John L. Schmidt, overseer; Mrs. A. M. Jansson, lecturer; Ed J. Johnson, steward; Alfred Richards, assistant steward; Mrs. J. H. Neal, chaplain; C. J. Stickney, treasurer; Verne Bright, secretary; Major Wolsenback, gatekeeper; Mrs. Mary Urton, Ceres; Mrs. Charles Schilling, Pomona; Mrs. T. J. Nault, Flora; Mrs. Ed J. Johnson, lady assistant steward; Sanford G. Rogers, S. T. Black and H. E. Ewer, executive committee, and Mrs. C. E. Barker, musician.

Henry Hagg served as master until January 7, 1932, and was succeeded by his brother, Oscar Hagg, who filled the office until January 4, 1933. Francis M. Coon is the present master. No change in the office of musician since the first meeting.

On March 31, 1932, the building committee recommended to "negotiate a loan not to exceed \$2,500.00, with interest at six per cent, payable semi-annually, and to pledge as security therefor, the lot and building to be erected on the corner of Wheeler avenue and Alexander street, in Aloha, Oregon." The building committee, was W. F. Norman, chairman; Mrs. J. H. Neal, S. T. Black, Jay Frost and C. J. Stickney.

The lot, 95x150 feet, was donated by C. J. Stickney. Work was begun on the new grange hall in April.

Dance at Manning

A dance will be given Saturday night at Manning Social club hall with music by Vandehey's orchestra.

Word has been received here by Mr. and Mrs. C. A. Peterson of the birth of a baby girl (Nancy Emily) to Mr. and Mrs. Richard Hill, son of Mr. and Mrs. Fred Hill, of Long Beach, Cal. The little lady is the third grand-grandchild of Mr. and Mrs. Peterson.

J. A. Kramien has leased the Richfield station at the corner of Tenth and Baseline from H. M. Barnes of Beaverton. Richfield distributor Kramien succeeds W. P. Jones as the station operator. Night service will be available on call.

County Sanitary Survey Slated As WPA Project

A sanitary survey of all Washington county schools, churches, service stations, camps, orchards and berry fields has been planned by the sanitation department of the Oregon Works Progress Administration, according to E. J. Griffith, administrator. Maurice L. Cotta of Portland is sanitation project supervisor.

The first regular meeting of the grange in their new hall was held August 12, 1932. The dimensions are 40x100 feet, and it has basement dining room and kitchen, rest rooms, auditorium, ante rooms, stage and dressing rooms. The auditorium floor, one of the best in the county, is made of maple.

In July, 1932, Harry L. Price and Ed J. Johnson, while working on the new hall, fell from a scaffold and sustained injuries from which they did not recover for several months. A benefit entertainment for the injured brothers was given in the unfinished hall at which about 700 were present, receipts \$130.98.

The Aloha Grange hall has accommodated many public functions, such as conventions, lectures, entertainments, dances, school exercises, Boy Scout meetings, political rallies, intra-community gatherings, etc. On Hillsboro Night, February 24, 1938, about 450 guests partook of the annual dinner.

Vote Consolidates Two Loan Groups

(Continued from page 1)

H. Busch and Milton N. Simon, both of the Forest Grove group.

Besides Stook the other officers elected by the board of directors were Lilly, president, and Busch, vice-president.

Loan Amount Given

The two associations, which were consolidated, have been in business in this county for more than 20 years and have loaned more than \$3,000,000 to their members without loss to stockholders. That this record should be maintained by not electing any applicant to membership unless his farm had shown an earning power over a period of years, that would sustain the loan applied for, was pointed out at the meeting.
