

Viking - Hilhi Track, Field Meet Here Today

Cinder Events Slated to Start At 3:15 P. M.

Track and field stars of Forest Grove and Hillsboro union high schools will be seen in action on the Hilhi athletic field at 3:15 p. m. today (Thursday) in the first local meet of the season. Fourteen events are on the cinder schedule.

Although still a little stiff-jointed, Coach "Hap" Hathhorn's charges have improved noticeably in field practice sessions during the past couple of weeks and are expected to deliver plenty of competition for the invading Viking tracksters.

With no limit on the number of contestants allowed to enter each event, virtually every man on the Hilhi track roster will be given a chance to show his abilities. Coach Hathhorn said.

In the 100-yard dash, Jim Allison, Dave Cooper, Bill Foelker, Eugene Newberry and Leroy McCluey will be timed. The first three will also join Preston Drumm in the 220-yard competition. Quarter-milers will be Jack VanLom, Ernest Loebden, Drake and McCluey, and half-milers, Curly Estep, Loren Bronleeve and Doug Seymour.

Spartans will be represented in the mile run by Chuck Thompson, Del Davis, Joe Santoro and Seymour and in the 800 relays, by two teams: Eugene Newberry, Allison, Drake and Bill Foelker on the first team and Loebden, McCluey, VanLom and John Tri on the second.

Bill Lieder and Glenn Tri will defend Hillsboro in the 120-high hurdles and Don Foelker and Norman Bradley in the 220-low hurdles. Field events will be represented by the following: shot and discus, Sterling Naught, Jack Schukart, Dave Javelin, Naught, Edginger, Ed Wells, broad jump, Don Foelker; high jump, Bill Lieder; pole vault, Art Landin, Ivan Crowley and Dick Martin.

Anglers Polish Rods and Reels; Trout Season to Open Saturday

Hillsboro and Washington county anglers were spending evening hours this week fondly polishing and assembling rods and reels in preparation for a hurried dash to local fishing streams at the earliest possible hour on Saturday, April 15, official opening date for trout fishing in the state.

With streams in this locality low and clear because of the early onset of spring, fishing is expected to be unusually good for so early in the year. Flies and spinners will replace fishing with bait in streams which are usually high and muddy when the season first opens, veteran anglers here predict.

East Dairy Banned
Favored spots will be along ripples and pools of the west fork of Dairy creek, Gales creek and Scoggins creek, where good catches of cut-throat have awaited the "early birds" almost every season opening. Farmers along the east fork of Dairy creek have issued a blanket warning against trespassing on their property from Mountaineer to Buckley sawmill. Disregard of their property rights by fishermen in the past was named by the farmers as reason for the no-fishing edict.

The Tualatin river will also attract the largest share of followers and others will be off on an early morning start for streams more distant. A number of small streams in Washington county have been closed to angling by the state game commission. They are Sain creek, a tributary to Scoggins creek, Clear creek, tributary to Gales creek, and Rock, Hodges, Chicken, Heaton and McFee creeks with all tributaries of the foregoing.

A few other changes affecting Washington county were made in the state angling laws by the recent legislature. Closing date for the six-inch-and-over trout season has been clipped two weeks to end on October 15 instead of November 1 as was the case last year. Fees have been increased for two types of licenses: for non-residents, from \$3 to \$5, and for a special vacation license, good for two consecutive days, from \$1 to \$2.

The New Frigidaire Electric Range

...DESIGNED BY 7,550 HOMEMAKERS TO COMBINE LOW COST...HIGH SPEED...SURE RESULTS

Built by Frigidaire, to the specifications of 7,550 women...practical women like yourself...this new electric range is already proving a sensation among our customers.

It's a range built for a woman's job, offering dozens of practical conveniences. For example, it has one of the roomiest and most economical ovens ever built

into a range, heavily insulated for low-cost operation and to keep the kitchen cool. The accuracy of its temperature controls assures ideal baking and roasting results. And new 5-Speed surface cooking units provide the right heat for every cooking job from fast-frying to slow simmer. Added to that is a remarkable record of low operating cost.

Come in. See this master range, designed for women...by women. You'll be thrilled with its line-up of features—and amazed at the ease with which you can own one!

Bowlers on Last Lap of Second Half Competition

Spring Handicap Golf Tournament To Start April 19

Qualifying rounds in the annual Forest Hills spring handicap tournament will be started next Wednesday at 10 a. m. and will continue through four weeks of play with the championship match on about May 17.

Flight matches will start on the following Wednesday, April 26, with sixteen contestants paired off and will continue through four weeks of play with the championship match on about May 17.

Start of qualifying rounds was originally planned for this week but was postponed to the later date in recognition of the drawing power of fishing season opening on April 15.

"Old Jupe" Winner Of Double-Header
The Hillsboro vs. Sherwood baseball double-header on the Sherwood diamond came to no painful end Tuesday afternoon when the nines were rained out. The unfinished game will go down on the books, Johnson said, as a victory for Jupiter Phuvus.

Hines Shows Ability
In the field, Hines showed airtight ability with three running catches which helped to discourage Tigard scoring. Estep and Spiering traded off in left field and center. Hines kept them from grounding on the opposite side of the diamond. Other basemen were Goodman, second, and Forbis, third.

Tigard put the Blue and White nine immediately on the defensive as the game opened when the first man up made a clean lead to first, stole second and was brought in by the next man on a single hit.

Hillsboro scoring lagged through six innings. As the first half of the seventh ended, the score stood 5-3 for Tigard. George, first man up for Hillsboro, batted out a three-bagger and Hines brought George in with a single, later stealing second. Sahnow struck out. Hammer Walked. Estabrook piled his bat into the ball for a two-bagger which brought Hines in with the tying run and Spiering got a single, bringing Hammer in with the winning point. The game was halted with only one out on the local nine.

Local Bowlers Fare Well in Salem Tourney
Hillsboro bowlers were stealing more than their share of high honors in the state tournament at Salem, it was reported here Monday when the results of this week's play were posted. The Pastime Cardroom team, composed of three players from here and two from Portland, were high in the commercial division with 2623 pins.

Claud Cook, Gordon Corey and Herman Rehe, localites, and Phil Heim and Earl Young of Portland, make up the five-man William Goetter of the C. C. store aggregation here posted the highest score in the open singles with 620 pins and Herman Rehe was high in the commercial singles with 616.

Gordon Corey, although not in the prize money, was only a few points from the high score with a 600 posting.

Hillsboro's Battery E bowlers will be in competition with kegling squads from all over the state next Sunday, April 16, when they match scores with other commercial divisions in the state tourney.

Five League Championships To be Decided

Five-league championships will be in the balance as bowlers at Clem's alleys turn in final scores in next week's concluding games of second half play. Union "76" pin topplers in the Friendship league rose out of eight this week with 29 wins and 13 losses and the Independents in the Ladies' league stood all alone with 13 and 2, but close races were certain in all other divisions.

In the National league, Gold Leaf, with 27 and 15, will play the F. Adkinson bowling quintet, with 23 and 17, in a last lap battle for first place. With six games left to go, Perfection bakery and First Shop bowlers, with 24 and 15 and 21 and 18, respectively, will be in the fight for American league leadership.

Three Contenders
Three teams are still in the running in the City league. Pastime, C. C. store and Clem's all within one game of one another. Ideal Food keepers in the Grocers' league have a chance for a first place tie with the Oakes grocery team, now leading by two games with 25 wins and 17 losses. Hank's market, with 24 and 15, is in the first place race by small margins.

Cate Motor is leading by two games in the Forest Grove City league with Carnation and Gilgibers now in a second place tie with 23 and 19 each. Still contenders in the first spot race.

Moose in Cellar
Moose bowlers, winners of the first half championship last December, while making certain their claim on cellar position of the Friendship league, chalked up a new low-score record for Clem's alleys this week. The team played one game of the total of only 511 pins, averaging but 102 pins per man, the lowest scores ever recorded in league play here.
