Band Concert, Dance Helvetia Saturday Night

(By Mrs. J. M. Davidson)
HELVETIA—Everybody is well come to attend the band concert and dance at Helvetia hall Saturday at 8:15 p. m. Proceeds will be used to help pay for additional instruments for the band. Lunch will be served and donations of same appreciated. The band group was in the Decoration Day parade at Hillsboro Tuesday.

Exercises Held
A large group from Helvetia attended the 8th grade graduation exercises at North Plains last Tuesday. The teacher, Joseph Wenzel, was master of ceremonies, and was justly proud of his class of seven pupils. Most of them had been with him for eight years, which is unusual in the country schools here. Wenzel spent some time last week working in the school flower garden and the school board has arranged to have it cared for during the vacation months.

New cedar poles were put up for the swings in the school yard recently. Mr. Wenzel and the older school boys did the work and Alfred Pierin and John Yurkowski donated the poles.

School Meet June 19
Annual school board meeting will be held at the school house June 19 at 8 p. m.

Strawberries were ripening slowly during the cool spell and pickers were busy only a half day or the Inahara berry fields. There is good prospect for a bumper crop in spite of the recent drought.

Mrs. Elizabeth Ritter has her niece, Mrs. Florence Davidson, from Willamina in charge of checking the strawberry pickers this year. Her daughter, Lucella Davidson, accompanied her.

Vincent Bishop, a sailor from the S. S. Jane Christensen is visiting here. He expects to ship out again in two weeks. He returned from a trip to New York and other eastern ports.

Many different family groups met at the Helvetia cemetery Tuesday to put flowers on the graves of their loved ones. Some spent the week-end with relatives while others were visiting for one day. Among them were Mr. and Mrs. John Merz, Marie Merz and Jake and Fritz Yurkowski of Kalama, Wash., Mr. and Mrs. Alfred Nyegger and family of Milwaukee; Mr. and Mrs. John Miller and family of Kalama, Wash.; Mr. and Mrs. Fred Perren, Mrs. Irene Korn and family of Vancouver, Wash., and many others.

Last Graduating Exercises Held

(By Mrs. O. H. Peterson)
BEND—The local school had its last commencement exercises last Tuesday night at the school house. Emma Clark, Toshie Hasuiki, Eldon Redmond and Lester Schultz were the graduates.

The program consisted of the following: songs by the school; piano duet, Helen Wick and Virginia Tufford; vacation comments, Louise Spouta; "What the Lessons Say," a group of boys; reading, Virginia Tufford; accordion number, Helen Wick; reading, Dave Morrison; piano selection, Virginia Tufford; reading, Helen Jane Spouta; drill girls; vocal selections, glee club girls from Tigard high; numbers by graduating class; address, Miss Eunice Mitchell. Flowers were rosebuds and the colors were fuchsia and chartreuse.

Charles Little, who spent the past month at the home of his sister, Mrs. Bruce Bowne, and family, left for his home at Turner Thursday. Miss Grace Bowne, who spent the school year at Beaverton high school, returned home two weeks ago and has gone to Portland, where she has employment.

Miss Lucille Peterson is spending about ten days at the home of her

Giant Logging Trailer Fitted at North Plains

Blooming Lutheran School Term Ends

(By Harry Niemann)
BLOOMING—The Lutheran school closed its term May 29. Richard Moeller had a perfect attendance the whole year. The graduation exercises for the eighth graders were held last Friday evening. Rev. Wendling of Forest Grove delivered the address. Harry Niemann distributed the diplomas. The graduates were Alvin Haase, John Steele, Harold Soast, Maxine Huth, Orville Meyer, Helen Liebenow, Jean Herget. Annual school picnic was held Sunday afternoon.

Miss Esther Meyer underwent an operation for gaiter last Friday at the Smith hospital. She is getting along as well as can be expected.

Members of the Aid Association for Lutherans met last Wednesday evening at the home of Mr. and Mrs. Herman Ruecker and family for their annual strawberry and ice cream treat. Others present were Mr. and Mrs. John Haase and family, Harold Haase, Mr. and Mrs. Henry Herget and family, Leonard, Henry and Arthur Gurske, Harold Krahmer, Ernest Meyer and Mrs. Fred Muhly Jr. Mr. and Mrs. Leonard Muhly and family, Henry Neukirch, Henry Neuman, and Mr. Siamard, the state representative for the Association.

Barton Kanna fell on a piece of glass May 21 and severely cut his left hand near the wrist. The wound was dressed by a physician and is healing nicely.

Movie Friday
A movie on Negro mission will be shown in the Lutheran church Friday evening at 8. Admission is free but a free-will offering will be taken.

Mrs. Ernest Zurcher, Carl Christner, Hulda Connell, Emma Dierdorff, Elmer Batchelder of West Union; Fred Amacher of Hillsboro; Mina Pfahl, and Fred Krahmer of Blooming, spent Tuesday afternoon at the home of Mrs. Albert Krahmer in sewing and playing cards.

mother, Mrs. Laura Peterson, and family during the absence of Miss Peterson's employers, Mr. and Mrs. Henry Strow, and daughter Jean, who went to California for ten days. Lucille is also attending college in Portland.

The free movies will start June 8 instead of June 1 as stated in last week's paper. They will be held in the vacant lot near the Springbrook cannery.

Mrs. Laura Peterson and daughters Lucille and Beulah and son Orville motored to Olympia, Wash., Sunday to visit Mr. and Mrs. L. M. Risteigen and daughter Jo Ann.

Commencement was held at the Tigard high school last Friday with a good attendance. Professor F. Thompson, counselor at Willamette university, was the speaker.

Mrs. Philip Adams and son, E. O. and daughter Elsie and son Roy went to Seattle, Wash., for a week.

J. Gutschmidt Of Rock Creek Feted Sunday

(By Mrs. Frank Perzold)
ROCK CREEK—A dinner in honor of the eighty-second birthday anniversary of John Gutschmidt of this section and the birthday anniversary of his daughter, Mrs. John Schneider Jr. was held at the home of Mrs. Schneider at Shady Brook Sunday. Others present were Mr. and Mrs. William Green of Hubbard, Mr. and Mrs. Ed Gutschmidt and Mrs. Ted Gutschmidt and children of Portland, Mr. and Mrs. Carl Schnabel and Lester Schnabel and Charlie Johnson of Sauvie Island, Mr. and Mrs. Bill Luethe of Brooks Hill, Mrs. John Gutschmidt, John Schneider Jr. and Herbert, Edgar and Lorraine Schneider.

House Razed
An old landmark was razed when Roy Fry took down the extra house on his place recently. The house had been occupied by renters much of the time in the past years.

Long Time Pet Dies
Mrs. Lue Davis' parrot "Sylvia" died recently. The parrot had been in the possession of the family for perhaps 30 years and as Mrs. Davis lives alone it had provided some company for her.

Orto Wisner has moved into the Reformed church parsonage. Mrs. Wisner is ill at a Hillsboro hospital. She is reported as being somewhat improved.

Bill Luethe recently moved their house to a new location, several rods to the east from the old location.

The new house which Joe Brooks is building on their place on Brooks Hill will be of brick and have hardwood floors, a fireplace in the living room and a party room in the basement, which will also have a fireplace.

Carl Munson and family and Bob Munson of Munson Hill and Henry Munson drove to Longview, Wash., May 21, where they visited relatives. Jessie Munson, who had visited there two weeks, returned home with them.

Mrs. William Fugy and Mrs. A. Huserik and Annie Huserik drove to Cathlamet, Wash., Tuesday to visit Mr. and Mrs. Joe Huserik. They returned home Wednesday.

Laurie Lou is vacationing with her uncle and aunt, Mr. and Mrs. William Held, at Estacada.

Mr. and Mrs. Conrad Dick attended a farewell party in Portland for Egonel and Mrs. R. Schweindt May 15. Mrs. Conrad Dick and small daughter Janet returned May 22 from Seattle, where they visited several days with Lola Dick.

shop, which has lately gained an honored reputation for building the heavy logging truck equipment.

Powered by a super-charged 240-horsepower Diesel engine, the wheeled monster is equipped with a bellowing whistle similar to the type used on locomotives, runs on huge tires 24 x 1200 in size and requires a special permit and flagmen to roll on public highways.

Overall weight of the truck and trailer is estimated at 25,000 pounds. It is declared to be the largest truck ever built for logging use.

If sickness occurs in your home do you know how to get a doctor quickly? If your eyes need attention do you know how to find a good oculist? If you have a sick cow, or horse, or dog, do you know how to get a good veterinarian? Consult the Professional cards in the Argus.

Two More in Process

Two more of the overgrown trucks, to be used in Lake county, are now undergoing similar treatment at the small North Plains

Leader of Gideon Speaks at Rotary

H. A. West, international vice-president of the Gideon Association and Portland businessman, spoke on the history and aims of the organization at the Rotary club luncheon last Thursday. Carl Weber was chairman.

The speaker pointed out that the organization was unique in that it attempted to reach all the traveling public by placing Bibles in all hotel rooms, auto camps, etc. It is now aiming to put them in all school rooms. Funds for this purpose are secured through solicitation.

A joint meeting of Rotarians and Rotary Anns of Hillsboro and Forest Grove is planned for Forest Hills June 21.

Dixie Mountain

Norman Nelson of this community has discovered a new type of alder tree growing on his farm. There are seven of these trees ranging from 2 to 15 feet. All of the trees have leaves of a particular outline which are cleft almost to the midrib. This type of leaf is uniform throughout the crown. These trees are growing among a large number of red alders bearing regular leaves. The catkins, bark and other characteristics except the leaves and fruit are similar to the red alder. According to T. J. Starker of the Oregon State college this new variety is known as the *Alnus rubra* Bong. It is believed that its native land is either Great Britain or the Scandinavian countries.

Members of the Mazamas hiking club of Portland are going to explore Dixie Mountain next week-end. Their object is to study bird life. The grade is giving a special dance for them as quite a large crowd is expected to come. This dance is to be Saturday and everybody is welcome.

Fred Grant Jr. and Lincoln Moore of Portland spent the week-end visiting friends at Myrtle Point.

Mr. and Mrs. Victor Olin of Astoria, formerly of here, visited friends a week ago.

Mr. and Mrs. C. D. Nelson and family attended the high school graduation exercise of the St. Helens high school last Friday. Arlene Logan, a niece of Mrs. Nelson, was graduated.

Miss Edith Anderson, Harold Hansen and Eugene DeLorito were

Logging Truck at North Plains Described as Largest Ever Built

A source of "um's" and "ah's" for North Plains residents this week was a behemoth logging truck and trailer said to be capable of hauling in one load more lumber than a small mill cuts in a day. The gargantuan hauling unit measuring 13 feet across, has been an awesome sight in the Washington county community for the last four weeks, during which time it has kept the Tum Stigum blacksmith shop busy building a steel and wood log bed on the massive chassis.

Maximum hauling capacity of the

FACTS FAVOR FORD

1 The 1939 Ford V-8 is a beautiful, modern motor car. Its 85-horsepower engine gives you economical, well-balanced performance over the entire speed range.

2 The structural strength of the Ford car — frame, bracing, axles, body — makes not only for safety, but durability and long life.

3 Ford hydraulic brakes are exceptionally large and strong in proportion to car weight.

4 The Ford car is stabilized for comfortable riding. Its springbase, the distance between front and rear suspension, is 123 inches. Seats are toward the center, perfectly balanced. The car does not bob or dip and can have very little sway.

These four points — power, strength, safety, comfort — are by far the most important essentials in any motor car. They form the basic value of your investment.

With this solid foundation to build on, the Ford V-8 has been made beautiful, spacious, easy to drive. It is richly upholstered and has all the modern features which add to the luxury and pleasure of motoring.

You can see these things when you take a trial drive, but do not forget that the main value is in the things you do not readily see — quality of materials, precision of manufacture, fundamental engineering.
