

# First Spartan-Viking 'Civil War' Here Friday Night

## Rival Hoop Quintets Set for Maple Clash

Embittered by their first league loss—at the hands of Beaverton Friday night—Hillsboro's Spartan warriors were sharpening their spears this week in preparation for their traditional "civil war" with the Forest Grove Vikings. The Government will invade the Hilhi court Friday night with opening skirmishes set for 7:30 o'clock.

Pleats of war will be waged on the maple when the rival squads meet in their first T. Y. V. battle. By one brand of figuring, the Vikings crew will have the edge for the same Beaver quintet which whaled Hillsboro was taken into

camp 25-18 by the Grove hoopers, but in another sound-about system of rating the Spartans are favored for Hillsboro triumphed both Tigard and Newberg, and each of these teams found the Vikings an easy mark.

**Melvin Leads Scoring**  
Scorers of the Viking attack will be Melvin, brick-thrower forward, who has a habit of taking high point honors. Last year he led up 14 of his team's total 20 points in their first battle with the Hills B team.

Both home and return games against the Vikings last year were victories for the Hillsboro team, by scores of 22 to 11 and 41 to 18. The return of the Hills B squad, which included a number of this year's first string men, defeated Grove's juniors in both games 25-20 and 15-14. Hillsboro, while technically listed in second place in T. Y. V. standings has lost but one game and is from the standpoint of defeats, tied with Tigard for the league leadership. Tigard has played and won one more game than Hillsboro. Forest Grove is in fourth place with two wins and two losses.

**Orencia Tips Gaston**  
Orencia Townies kept their state clean in the county hoop league Monday night by bouncing Gaston, 25-20. Bella, Orencia forward, was high point man with 12 tallies.

The Hillsboro men were lagging 19-22 at the half and found themselves being played over their heads as the second period widened the visitors' victory gap.

Bud Eslinger performed well for the Spartans, sinking three beautiful swish shots from far out on the floor. With another layup shot, he tallied eight points for top scoring honors in his team. Metzler, guard, was high point man for the Macmen with 12 counters.

## Ties Stall Keg League Leaderships

Kept teams on Clem's alley this week began pouring on the heat and plenty of jockeying for position resulted, but undisturbed leaderships were fairly as second week competition ended because of equal win-loss records on the top brackets.

**Other Ties Develop**  
Similar deadlocks developed in the Oregon State Keg League over Partime losers in the City League, but their sought-for first place was shared by Clem's keggers, who added another two games to their first week winning and resulting standings gave the two top aggregations four wins and two losses each.

**Black Japanese Team**  
Two whitewash affairs were seen on the alleys here Friday night as Cate Motor took a 3-0 decision over Farmers' market to command the Washington County league leadership with a record of five wins and only one defeat, and Al's Oasin keggers won three straight from B. E. Malling to rise into a second place position only one game behind the leaders.

**Vanish Theatre Ladies Retained**  
The lead in the Washington County league was held by the local Food juniors for one game in the Signal Oil and the B & P. Ladies also split their games.

**Joe Loomis Fuelmen Broke out**  
of their National league first place lead by bouncing the team by winning two games in three from the flower shop aggregation.

**In the second National league contest**, PGE keggers advanced into a second place tie with the Bungalow squad by dropping the tall-end Gold Leaf aggregation for two games in three.

## Beavers Hand Spartans First League Loss

Driving hard to an early lead, Marble Cook's Beaverton hoopers pounded Hills for a 27-11 victory in a low-scoring affair in the Beaver floor Friday night. It was the first defeat suffered by Hillsboro capemen this season.

Spartans tried hard in the first half and were trailing on the short end of a 10-7 score but lost their point-getting talents in the third period. Sea Scout Cuffed them but a single tally Nagg Beaver substitute hit the bump for nine points and the evening's high tally honors.

The Hilhi B string started out fast and coasted through the last period without seeming to exert a 25-23 win over the Baby Beavers. Score at halftime was 15 to 7 for Hillsboro and at the three-quarter mark, 25-12.
