Hillsboro, Forest Grove Rifle Clubs Tied for First Place in Tournament as First Half Ends

Breaking a three-way deadlock atop "C" standings in the Columbia-Willamette Rifle tournament, the Hillsboro Rifle and Pistol club threw too much hot lead for the Vernonia gun clubbers here Friday night and won the crucial match, 906 to 882 for five-high totals. The other team which remains tied with the local marksmen for top place in the circuit is Forest Grove.

Hillsboro's No. 2 team tried hard against the Rose City American Legion post shooters in a match at Portland the same night but lost, 835-818. Bill Manley, of Hillsboro's first team, earned high score honors among the four teams with a total for prone and standing shooting of 197 points out of a possible 200. R. Zimmerdahl was tops for the Vernonia club with 184.

The matches end competition in the "C" class first half. Second half matches will be posted next week, according to Bill Manley, club secretary.

St. Mary's Enters State Tournament

ST. MARY'S HOME—The basketball team is getting in good shape for the Oregon Catholic high school tournament, which annual classic will be held on February 1, 2, 3 and 4 at Portland university. St. Mary's plays its first game of the tournament February 2, having for their doughty antagonist their old friendly rival, Columbia Prep. This will be one of the four games that same night for the ten Catholic high schools in the state entering the tournament.

The second semester began January 22.

Following the example of their elders the graders are getting ready to participate in their classic, the fifth invitational grade school tournament sponsored by Pacific College, Newberg. Their high hopes of bringing home honors have reached the stage of reasonable expectation, for have they not held the champion cup for three years out of four?

Vikings Trip Hilhi in T. Y. V. Action, 29 to 19

Spartan hoop warriors slipped a cog in the T. Y. V. league here Friday night with a 29-19 loss to the Forest Grove Vikings. The defeat ties the two teams, traditional "civil war" enemies, for third place in the league, each having won three games and lost two.

The Spartan quintet showed flash and a win determination through most of the game, but seemed to bog down in the last quarter as the visiting Vikings put on the steam. First quarter ended 9 to 7 for Hillsboro, halftime found the home town boys still leading by a two-point margin, 11 to 9, but the third period score gave no advantage, ending 18-all.

While the Spartan machine chugged along through the final quarter with a net gain of 1 point, the Vikings tore up the maple for 11 counters and a wide margin of victory. The Grove reserve team put the skids under the Baby Spartans, 22 to 19, in a preliminary game.

Oregonian, Market Pin Crews Capture League Thrones

Loop leaderships and distinct percentage placings were being viewed through the alley dust kicked up by kegling aggregations in tenpin competition at Clem's place this week.

Fairway market bowlers broke out of their first place tie with Ideal tossers and took command of the Grocers' league by virtue of a double decision over Hank's market. Likewise did the Oregonian crew tear Clem's squad to kick these lead-aspirants out of the City league throne.

An "awful state of affairs" developed in the American circuit when Cudlett's and Halvorsen Motor, tied for first place last week, were joined by Independent Fuel for a three-way deadlock at the end of this week's rumble-jumble. Each team has won five and lost four games.

P. G. E. Team Advances

The P. G. E. tossers continued their winning tactics this week to climb over the Bungalow Flower Shop squad and take a tie leadership with Joe Loomis Fuelmen in the National loop. Ideal Food Juniors took a firmer grip on the Washington County Ladies league throne with a pair of wins over the B. & P. women.

Al's Oasis pinmen concluded the week with an explosive 3-0 win over the Farmers' Market aggregation to bounce the Cate Motor squad out of and themselves into the lead spot in the Washington county league.

Hilhi Quint Drills for Sherwood Hoop Clash

Hopefully clinging to the contention that two losses each for the four top teams in T. Y. V. casaba competition put them on an equal basis with the loop-leading Tigard and Newberg quintets, the Hillsboro Spartans were drilling hard on the local floor this week in preparation for a trek to Sherwood on Friday night and a chance to get on the "comeback trail."

Games this week ended with Tigard and Newberg heading the T. Y. V. percentage column with four wins and two losses each and Hillsboro and Forest Grove struggling together in a tie for third place with three wins and four losses. The two top teams are technically first-place holders by virtue of their having played and won an additional game each.

Other T. Y. V. action to be seen Friday night will send Beaverton hoopsters to Newberg and Tigard maple artists to Forest Grove. The remainder of the T. Y. V. schedule is as follows:

February 9—Tigard at Beaverton, Hillsboro at Newberg, Sherwood at Forest Grove.

February 16—Forest Grove at Beaverton, Hillsboro at Tigard, Sherwood at Newberg.

Women Keglers Place in Tourney

Hillsboro women bowlers who threw their shoes into the Women's City Association tournament in Portland Saturday night came back with more than footgear hanging from their belts. They also were proudly in possession of two top placings that were "in the money."

Competing with 20 teams from all parts of the state, a Hillsboro kegling quintet composed of Georgia Weisenbach, Florence Compton, Eva Williams, Alma Eslinger and Velma Oakes took second place in the tourney with a total three-game score of 2513.

In doubles competition, Misses Williams and Eslinger captured third place with a total of 1071. Another doubles team and four entrants in the singles tourney did not place.

The Ireland-Collegian games, first two of which were hotly contested, were probably the best exhibitions of volleyball yet seen on the Hillsboro high school floor. The second contest was 10-4 for the Hardwaremen early in the contest, later was 11-10 and ended with the Ireland crew losing out, 16-15. The tussle lasted for almost a half hour.

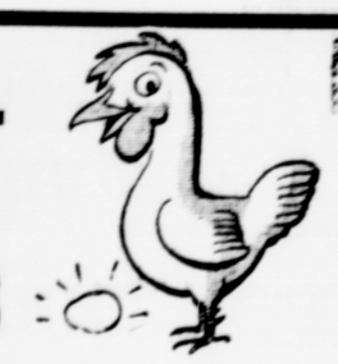
IMPERIAL POULTRY POINTERS



A Leghorn Hen requires 64 pounds of feed a year for body maintenance. The feed used for egg production is in addition to this requirement. The old hen is just a good natured old bird but she will not use food needed for her body to lay eggs. When the feed is short, the egg bucketwill soon be empty.

The normal body temperature of the hen is 107 degrees Fahrenheit. The success of poultry raising doesn't depend on how cheap the pullets can be raised but on how good they can be raised. The success or failure of any poultryman depends largely on the quality of the pullets that he produces. Good chicks, high quality feed, and shrewd management are necessary to consistently raise good pullets every year.
