See Fairway Phil hitching up the pants of his snappy bunny outfit. "Easter is really a big day for the women folks... gives them an excuse (as if they needed one) to blossom out in new spring finery... and then spend the day discussing Mrs. Joe Doe's get-up. More darned fun... but it sure disturbs the moth in Dad's pocketbook."

THE OLD TIMERS ON THE DUDE RANCHES *know!*

IN THE WEST, IT'S *Golden West!*

And it doesn't take long for the Eastern "tenderfoot" to find out—that this rich, flavor-full, coffee—whether it is brewed in the campfire coffee-pot or the gleaming silex of the ranch kitchen—is differently delicious! That the Great West has something besides scenery and atmosphere—it has a great coffee.
