Local Folk Attend Ford Meet, Fair

Mr. and Mrs. H. L. MacKenzie and Mr. and Mrs. W. Verne McKinnis returned Monday from a business and pleasure trip to San Francisco. They made the trip down on a Ford Motor company special train.

On arrival the visitors were taken on a boat trip around San Francisco Bay before going to Treasure Island, where a large Ford dealer luncheon was held in the California building.

President Edsel Ford and W. J. Cramer, radio commentator on the Ford Sunday evening hour, were the principal speakers. The luncheon was in honor of dealers throughout the United States who had sold more than 100 cars each during May and June. Nearly 800 persons were present at the luncheon, including dealers, their wives and representatives of the press.

Optimism as to the future of the automotive industry and its importance to the welfare and development of the country was expressed by the speakers.

The local people were greatly impressed with the beauty of the entire Treasure Island layout for the Golden Gate Exposition and particularly with the beautiful lighting, which they felt was superior to that at the New York fair. They found the exhibits and attractions outstanding. "America! Cavalcade of a Nation" was inspiring patriotic pageants that made one thrill to the fact that he is an American.

Mr. and Mrs. Harry Aldinger and children spent last week vacationing at the Oregon Caves and beaches.

Mr. and Mrs. A. H. Abts and son Jimmy, with Mr. and Mrs. Jerry Abts of Newberg, spent last week at Cannon Beach.
