**Election is over**  
And say! Are we glad?  
It made some of us happy  
And some of us sad.  
But any how, now  
We can sit down and think,  
Without either side telling us  
All's on the blink.  
We can turn on our radio  
And comes music so sweet,  
It makes us very grateful  
That campaign talks  
Are now obsolete. Mrs. A. B. K.
