

4-H Club Leaders Recognized for Years of Service in Youth Work

Recent presentation of annual 4-H achievement awards singled out four county club leaders for special recognition in the light of their years of continuous service in club work. They are Mrs. Helen Austin of Cornelius, Ed Setniker of Hillsboro, Henry Hagg of Reedville and John Schmelzler of Mountain Home.

Three of these Washington county 4-H leaders have completed five years of leadership and one has completed his tenth year. They are receiving their pins along with all the club members throughout the county who completed projects, according to Assistant County Agent Palmer Torvend.

Pins Received

Mrs. Helen Austin and Ed Setniker were presented with fifth year pins and Henry Hagg was presented with a 10th year pin at the annual club leaders' banquet last week. The pins were presented by H. C. Seymour and Miss Helen Caswell, state 4-H club leaders from Corvallis. John Schmelzler of Corvallis has also been leading clubs for 10 years and will be presented his pin in the near future.

4-H club members and first-year leaders are receiving their pins and achievement cards at their local community meetings. Many clubs are busy holding or planning to hold their local achievement meetings, said Torvend, as he announced the awards which have been presented to date. Clubs which have already held their achievement meetings are as follows: Mountain Home dairy club, led by Gene Taylor; Chehalis Mountain potato club, led by R. R. Joyce; Mountaineer garden club, led by Dale Van Dusen; Columbia Academy pig club, led by Vincent Meek; Gravel agricultural club, led by Dale Gravel; Mountain Home forestry club, led by John Schmelzler; Mountain Home model builders' club, led by Harry Schmelzler; and Jelmora wood-working club, led by T. E. Crocker.

Pictures Shown

A. H. Abts, fieldman for the Commercial National bank of Hillsboro, has been attending some of these achievement meetings and showing his pictures of 4-H corn club members. These are proving very interesting to the boys and girls and their parents. Those who have received their awards are as follows: Mountain Home community—Stanley Ego, Bill Strickland, George Allison, Shirley Taylor, Betty Joyce, Wallace Russell, Gladys Taylor, Patricia Joyce, Virgil Allison, Kenneth Jaquith, George Wilson, Dick Strickland, Dick Howell, Daphne Lickas, Grant Freuler, Lee Roy Jaquith, Dan Aebischer, and Wilbur Moore.

Mountaineer community—Jugars Tipp, Betty Jean Van Dorn, and Dale Van Dorn. Jelmora community—Shirley Harbeck, Herbert Miller, Edwin James, Van Eimora, Evelyn Crane, Raymond Hartson, Bobby Smith, Retha Mae Smith, East Miller, Bernard Van Dorn, Betty Harbeck, Wilfred James, Donna Crocker, Edith Grant, Barbara Norris, Margaret Womack, Betty Jean Davis, Keith Smith, Bernice Johansen, Donald Smith, Dorothy Davis, and Elmer Johnson. Gravel community—Pearl Webber, Maurice Grackman, Betty Gravel, Jeanne Gravel, Glenn Werra, June Fineout, John Herold, Columbia Academy—Joe Baker Jr., Steven Meek, Earl Olsen, Irvin Olsen, Dale Olsen, Kenneth Logan, Donald Logan, and Jack Shearer.

Clubs which have scheduled their achievement meetings for the near future are—Schefflin, Dixie Mountain, West Union, Rock Creek, Tigard, Hazeldale, Reedville, Hillsboro, Kinton and Cooper Mountain.

City School Building Plan Gets Approval

(Continued from page 1)
The renovation items were listed as follows:

Needed List
1. Electric lighting must be improved to meet with minimum school requirements.
2. Present inadequate cafeteria should be enlarged by moving to other side of building. 3. Auditorium stage, now too low for spectators to see efficiently, should be raised and sloped. 4. Auditorium floor should be ramped. 5. Re-arrange main floor space to provide an office for the principal. 6. Refinish floors and go over woodwork where necessary. 7. Panic bolts should be installed on the buildings three sets of exit doors.

B. W. Barnes' gymnasium—1. Construct bleachers along south side. 2. Renovate locker rooms to insure sanitation. 3. Repair flooring. 4. Overhaul and finish the interior.

Peter Boscoe school—1. Install air conditioning. 2. Enlarge some rooms making them small. 3. Remove partitions and utilizing space now occupied by halls.

Annand estimated an absolute "must" figures for renovation of these three buildings as follows: B. W. Barnes, \$6,000; gymnasium, \$5,000; and Peter Boscoe, \$3,000.

Can Take Improvements
J. W. Poynter, Hillsboro grade school superintendent, pointed out that that B. W. Barnes building is of construction sturdy enough to make repair investments in the building advisable. He estimated that \$12,000 should be spent on this building to best serve the community.

As for financing of such a building and renovation program as that outlined by Annand, a suggestion was heard that payment of the indebtedness incurred might be held over until 1943, at which time the district will have paid the union high school debt. It might be possible to have the grade building program financed in such a way that district taxpayers would pay for the new school at the same rate or less than they have been paying for the union high building. If payments on the principal and interest were not started until 1943, moreover, there would be no increase in tax levy felt by district residents.

Rural Mail Route Consolidation Is Abandoned

The contemplated consolidation of Hillsboro rural mail routes has been abandoned by the federal postoffice department, it was learned here Wednesday through a communication from Oregon's Congressman James W. Mott.

Rep. Mott wrote to Leon S. Davis, secretary of the Hillsboro chamber of commerce: "I am pleased to note that the department has decided to make no revision in the rural delivery service at Hillsboro at this time." Enclosed with Mott's letter was the following communication he received from Smith W. Pardon, second assistant postmaster general:

"My dear Congressman Mott: Reference is made to your interest in the proposed revision of routes based upon a vacancy in the rural delivery service at Hillsboro, Washington county, Oregon.

After careful consideration of data on file at this bureau and representations made to the department on the subject, it has been decided to make no revision at this time.

The present arrangement of routes at Hillsboro will be continued. Sincerely yours, Smith W. Pardon.

Through initiative of the Hillsboro chamber of commerce, petitions expressing opposition to the proposed route consolidation have recently been circulated throughout the territory involved and sent to the proper authorities. It is believed here that the petitions were a major factor in pigeon-holing the plan.

Pomona Meet At Beaverton Registers 150
Approximately 150 grangers from all parts of Washington county registered at the grange hall Wednesday in Beaverton for the Pomona meeting, according to Mrs. G. C. Chase, secretary of the Hillsboro grange.

Among guests from out of the county were Claude Miller, Multnomah county Pomona master; Mrs. Miller, Theodore Roy, past master of the Multnomah county grange, and Mrs. Roy.

Routine business occupied the grangers during the morning session and the Beaverton grange played host at a noon luncheon while three resolutions were being prepared for consideration at the afternoon meeting and all was in readiness for the installation of J. LeRoy Mills as Pomona master succeeding Harry Schmelzler.

Rice Promoted To Grove Post

Promotion of Robert L. "Bob" Rice to special representative in charge of the Forest Grove office of Portland Gas & Coke company was announced here yesterday by Thomas H. Bailey, Hillsboro district manager for the company.

Rice succeeds W. W. Putney, who formerly was a salesman in the Hillsboro territory, who has had charge of the Forest Grove office for the past year. Putney resigned to become a surveyman in eastern Oregon.

"Advancement of Mr. Rice to his new job is in recognition of his outstanding record while in Hillsboro, during which time he has become one of the top rank salesmen of the entire gas company organization," said Mr. Bailey. "He will carry on the program of service and cooperation with dealers which Mr. Putney handled with real success."

Rice will make his home in Forest Grove. He is married and has one daughter, Carolyn, age three.

During the 18 months he has been a salesman in the Hillsboro Area, Rice has been active in civic and sports affairs. In the past year, he has served as program chairman, a member of the board of directors and manager of the basketball team of the Hillsboro Lions club. He was a member of the Hillsboro Town basketball team last year.

Coming to Oregon from Huron, S. D. where he attended South Dakota university and began his training in the utility industry with the Northwest Public Service company, Rice joined the gas company organization February 4, 1938. After several months as salesman on the main display floor of the Public Service building, Portland, he was assigned to sales work in Corvallis. In July 1939, he was named salesman in the Hillsboro district.

Levy Decrease Seen in 1941 County Tax Roll
Washington county's total tax levied for all purposes for the year 1941 is \$969,464.93, representing a decrease of \$31,048.91 from the corresponding tax levy of 1940, \$1,000,513.84. It is shown in a summary of the 1941 tax roll released by the county assessor's office here this week.

The forest fee reforestation roll, a fixed per-acre tax assessed against forest lands, amounts to \$1,012.12 for 1941 as compared with \$1,008.14 in 1940 and soldiers' exemptions increased from \$122,615 to \$138,243.

New on the tax roll sheet this year are two special tax districts, the Forest Grove rural fire protection district, with a levy of 6 mills assessed to bring a tax total of \$1,322.27, and the Nehalem Basin pupils utility district with a levy of 17 mills assessed to bring a tax total of \$243.03 in Washington county.

Remodeling of Local Pharmacy Is Under Way

Extensive remodeling of the Hillsboro Pharmacy quarters in the McAlear building on Main street was started Wednesday morning. Manager Harry Bates says that when completed early in March it will be one of the most modern operations of its kind in the state.

A new all-glass front will be installed and the front widened to 27 feet to include the small room formerly occupied by a small popcorn establishment. First 49 feet will be given over to drug business and the next 60 to the restaurant operation, with an all electric kitchen being installed toward the front with a counter around it. Number of booths will be doubled to extend back through the present dining room, which will be moved across to take the present hallway and the quarters occupied by Evans Beauty shop, giving a better sized room, 15x18 1/2 feet, for group luncheons and dinners.

There will be no tables down the center of the room. A complete new fountain will also be installed.

Adolph Mohr is the contractor on the front and C. W. Christensen of Portland on the inside alterations. Manager Bates hopes to have the work completed by early in March for a grand opening.

Hillsboro Students In Pacific Play
Two Hillsboro students are listed in the cast of Oscar Wilde's "The Importance of Being Earnest," which is being given in a new manner, called Blue Room style, where the audience is seated around the players, and the acting is done on the floor in the center of the audience rather than on a stage. This means that only an audience of about 120 people can be accommodated at one time, and so three performances will be given—two for students, on Wednesday evening and Thursday afternoon, and one for the general public, on Thursday evening, January 30, at 8:15.

Don Cate, junior from Forest Grove at Pacific university, brought back his second speech honors of the season when he took third place in the state after-dinner speaking contest. He recently captured first in the men's extemporaneous division of the forensic tournament at Los Angeles Cal.

The modern kitchen is equipped with radiol, plate glass mirrors, velvet drapes, mosaic floor and disappearing fried chicken.

P. B. Case Buys Motor Agency At Beaverton

BEAVERTON—Announcement was made this week of the purchase by P. B. Case of the Beaverton Motor company and Chevrolet dealership in Beaverton.

Mr. Case has many friends and acquaintances in Washington county, having been associated here since 1911. He and his family have been residents of both Hillsboro and Tigard during the years he has been engaged in the garage business. During the past few years he has visited many farmers of the county, while acting as a tractor salesman for a Portland firm.

Kiwanis Head Resigns
President Earl Horsell of the Beaverton Kiwanis has announced his resignation to take effect January 29. Fred Hoyt is to succeed him in office. Mr. Horsell leaves Beaverton to take up the pastorate of a Portland Methodist church.

Telephone Opening Set
Opening of Beaverton's new telephone exchange has been set for May and the erection of new telephone building is rapidly nearing completion. Aloha, Beaverton, Scholls, Sherwood, Stafford and Tigard will operate on an automatic dial system through this office. Telephone officials state that some delay has been occasioned by defense program orders for material to equip army communication units, which has made difficult the delivering of such material to private concerns.

Annual Ball February 15
The annual ball of the Beaverton volunteer fire force will be held on February 15, in the Beaverton high school gym. Jimmy Whitmore's orchestra will provide music. Proceeds will be used to purchase equipment for both the city and rural trucks.

Lifelong Resident Of North Plains Dies; Rites Set
Mrs. Lucy Beach, 89, native of this county and resident of the North Plains vicinity all her life, died Tuesday night at her home after a prolonged illness. Funeral services will be held at 2 p. m. Saturday in the Donelson and Sewell chapel, Rev. R. L. Putnam officiating with interment in the Tigard Plains cemetery near North Plains.

Surviving are two sons, Henry and Fred, both of Hillsboro route 3. She is also survived by one brother, Henry T. Johnson of Hillsboro route 3. Her husband, John, preceded her in death in July, 1929.

Lucy Johnson was born at Gloucester on December 28, 1852, the daughter of English parents. She had been ill for the past six years.
